

What is a Validated UPI ID?

A special UPI ID used by SEBI-registered brokers, mutual funds, and other intermediaries.

It ends with **@valid** followed by the bank name.

Broker

abc.brk@validhdfc

Mutual Fund

xyz.mf@validicici

How do I know it's safe?

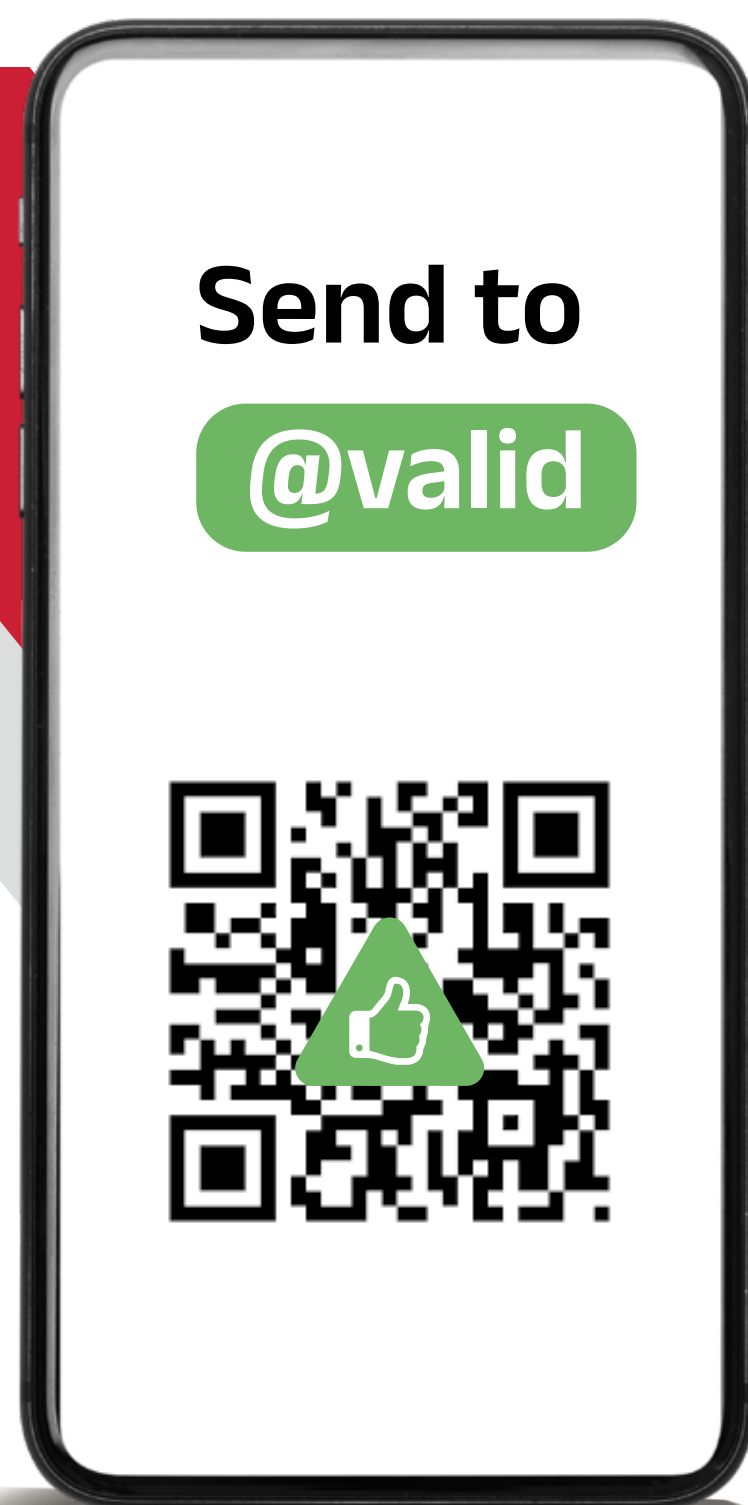

Look for @valid in the UPI ID
Your UPI app will show a green thumbs-up icon inside a triangle

What is SEBI Check?

A tool to: Verify UPI IDs
Confirm bank account details of intermediaries

What about SIPs?

- Existing SIPs: No change
- New or renewed SIPs:
- Must use validated UPI IDs

Do I have to use UPI?

No. You can still use:
NEFT • RTGS • IMPS • Cheques
