	<p>considerations as per para 1.14.1.2.b of SEBI Master Circular on Mutual Funds dated May 19, 2023 and the intention being at all times to protect the interests of the Unit Holders.</p> <p>Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the SEBI (MF) Regulations.</p>
<p>Investment Strategy</p>	<p>i. The primary investment objective of the scheme is to generate regular returns in line with the overnight rates. Investments would be made normally in short term instruments including Tri-party Repo / Reverse repos, debt instruments with overnight maturity / liquidity. Price volatility of a fixed interest security increases with the residual maturity of the security. The scheme intends to hold short-term securities to minimize price volatility. Individual instruments are selected based on yield, liquidity, credit risk of issuer, exposure to issuer, etc.</p> <p>ii. Portfolio Turnover- The scheme has no explicit constraints either to maintain or limit the portfolio turnover. Portfolio turnover will depend upon the circumstances prevalent at any time and would also depend on the extent of volatility in the market and inflows/outflows in the scheme. The Fund Manager will however endeavor to maintain a low portfolio turnover rate. Notwithstanding the foregoing investment policies for the scheme, for temporary defensive purposes (e.g., during periods in which the Asset Management Company believes changes in the securities market or economic or other conditions warrant), the scheme may invest in Indian Government T-Bills and hold cash or cash equivalents and other Money Market Instruments. The Trustee of the Mutual Fund may from time to time alter these limitations in conformity with the SEBI (MF) Regulations, 1996 and other guidelines or notifications that may be issued by SEBI.</p>
<p>Risk Profile of the Scheme</p>	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the Scheme Information Memorandum (SID) carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:</p> <p>Investments in the Scheme are subject to various risk factors including but not limited to risks associated with: investments in Fixed Income Securities such as Price-Risk or Interest-Rate Risk, Credit Risk, Liquidity or Marketability Risk, Reinvestment Risk etc., investments in Derivatives (The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments), investments in Securitised Debt assets which would be in the nature of Mortgage backed securities (MBS) and Asset backed securities (ABS) with underlying pool of assets and receivables like Housing Loans, Auto loans and corporate loans, risks associated with Repo transactions in Corporate Bond. The various risks associated with securitised assets include Prepayment Risk, Credit Risk, Liquidity Risk, Conversion risk, Price risks etc. The scheme shall not engage in Stock lending or short selling activities. Different types of securities in which the Scheme would invest as given in the Scheme Information Document/Key Information Memorandum carry different levels and types of risk. Accordingly the scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. The above are some of the common risks associated with investments in various securities. There can be no assurance that a Scheme's investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis. Further, the Fund/AMC is not guaranteeing or assuring any returns. Further, it should be noted that the actual distribution of IDCWs and the frequency thereof are indicative and will depend, inter-alia, on availability of distributable surplus. IDCW payouts will be entirely at the discretion of the Trustee.</p> <p>Investors may, if they wish, consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, i.e. before making a decision to invest/redeem Units.</p> <p>Investors in the Scheme are not being offered any guaranteed returns. Please refer to SID for detailed scheme specific risk factors.</p>
<p>Risk Control</p>	<p>Investments made by the Scheme would be in accordance with the investment objectives of the scheme and provisions of SEBI (MF) Regulations. Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The risk control process involves reducing risks through portfolio diversification, taking care however not to dilute returns in the process. The AMC believes that this diversification would help achieve the desired level of consistency in returns. The AMC aims to identify securities,</p>

	<p>which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, the investment team of the AMC will carry out rigorous in-depth analysis of the securities proposed to be invested in. The Scheme may also use various derivatives products for the purpose of trading, hedging and portfolio balancing from time to time, with an attempt to protect the value of the portfolio and enhance Unitholders' interest. While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated.</p>
<p>Plans/Options</p>	<p>The Scheme will have Regular Plan and Direct Plan** with a common portfolio and separate NAVs. Investors should indicate the Plan for which the subscription is made by indicating the choice in the application form.</p> <p>Each of the above (Regular and Direct) Plan under the scheme will have the following Options:</p> <ol style="list-style-type: none"> i. Daily Income Distribution cum capital withdrawal (“IDCW”) Option (Reinvestment) ii. Weekly IDCW Option[^] (Reinvestment) iii. Monthly IDCW Option (Payout, Reinvestment and Sweep Facility) iv. Growth Option <p>[^]Friday of each week. Note: Immediately following Business Day if that day is not a Business Day or the penultimate business day if that day is March 31 of any Financial Year.</p> <p>[^]the amounts can be distributed out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains</p> <p>**DIRECT PLAN:</p> <ol style="list-style-type: none"> i. How to apply: <ol style="list-style-type: none"> a. Investors desirous of subscribing under Direct Plan of a Scheme will have to ensure to indicate “Direct Plan” against the Scheme name in the application form. b. Investors should also indicate “Direct” in the ARN column of the application form. <p>Payout of IDCW</p> <p>Under this option, it is proposed to declare IDCW subject to the availability of distributable surplus as computed in accordance with SEBI Regulations. IDCW, if declared, will be paid (subject to deduction of tax at source, if any) to those Unitholders, whose names appear in the register of Unitholders on the notified record date. AMC reserves the right to change the record date from time to time. However, it must be distinctly understood that actual declaration of IDCW and frequency thereof is at the discretion of trustees. There is no assurance or guarantee to Unitholders as to the rate of IDCW distribution nor that the IDCW will be paid regularly. The IDCW shall be paid in the name of the sole / first holder and, if applicable, will be posted to the Registered Address of the sole / first holder in the original application form. To safeguard the interest of the unit holders from loss/ theft of IDCW cheques, investors should provide the name of their bank, branch, account number and IFSC/ MICR Number in the application form. IDCW cheques will be sent to the unit holder after incorporating such information. However, AMC will endeavor to credit the payout of IDCW directly to the designated Bank A/c of the unitholder through any of the available electronic mode (i.e. RTGS / NEFT / Direct Credit / NECS). AMC reserves the right to use any of the above mode of payment as deemed appropriate for all folios where the required information is available. On payments of IDCW, the NAV will stand reduced by the amount of IDCW paid. In case the IDCW amount payable is less than or equal to Rs. 250/- (Rupees Two Hundred and Fifty only) the same will be compulsorily reinvested in the corresponding Scheme(s)/Plan(s) on the ex-IDCW date at Applicable NAV The amount of IDCW reinvested will be net of applicable taxes.</p>

	<p>Reinvestment of IDCW Unitholders opting for IDCW option may choose reinvestment of IDCW to be received by them in additional units of the scheme. Under this facility the IDCW due and payable to the unitholders will be compulsorily and without any further act by the unitholders, reinvested in the IDCW option (on the next business day after the record date) at a price based on the prevailing Ex-IDCW Net Asset Value (NAV derived post declaration of IDCW) per unit on the record date. The amount of reinvestment of IDCW will be net of tax deducted at source, wherever applicable. Reinvestment of IDCW shall constitute a constructive payment of IDCW to the unitholders and a constructive receipt of the same amount from each unitholder for reinvestment in units. On reinvestment of IDCW, the number of units to the credit of the unitholders will increase to the extent of the reinvestment of IDCW divided by the applicable NAV as explained above. There shall, however, be no entry/sales load on the IDCWs so reinvested.</p> <p>IDCW Sweep Facility Under IDCW Sweep Facility, Unitholders can now opt for transferring the IDCW earned under open ended Debt / Equity Schemes to the Growth Option of any open - ended Debt / Equity Schemes of the Fund. The criteria of complying with the 'Minimum Application Amount' specified in the SID for respective Target Scheme will not be applicable to avail this facility. For instance, if the minimum application amount for fresh purchases in Aditya Birla Sun Life Equity Hybrid '95 Fund - Direct Plan - Growth Option is Rs. 5,000/-, Unitholder can avail the facility even if the amount of IDCW is less than Rs. 5,000/- (subject to a minimum of Rs.1,000/-).
