Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. SEBI vide letter dated November 3, 2021, has clarified that Cash Equivalent shall consist of Government Securities, T-Bills and Repo on Government Securities.

In line with para 12.24 of SEBI Master Circular on Mutual Funds dated June 27, 2024, the cumulative gross exposure to instruments forming part of the Index, debt, cash and cash equivalents, money market instruments and such other securities/assets as may be permitted by the Board from time to time subject to regulatory approvals, if any should not exceed 100% of the net assets of the scheme.

Money Market Instruments include commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity upto one year, call or notice money, certificate of deposit, usance bills, Tri-party Repo on Government securities or treasury bills (TREPS) and any other like instruments as specified by the Reserve Bank of India from time to time.

During normal circumstances, the Scheme's exposure to money market instruments will be in line with the asset allocation table. However, in case of maturity of securities in the Scheme portfolio, the reinvestment will be in line with the index methodology.

The Scheme shall replicate the underlying debt index subject to the requirements as specified under para 3.5 of SEBI Master Circular on Mutual Funds dated June 27, 2024.

#### Portfolio Rebalancing

Pursuant to para 3.5.3.11 of SEBI Master Circular on Mutual Funds dated June 27, 2024, rebalancing the portfolio of the Scheme comprising corporate debt shall be as follows:

- $\qquad \text{In case of change in constituents of the index due to periodic review, the portfolio of the Scheme will be rebalanced within 7 calendar days.}$
- In case the rating of any security is downgraded to below the rating mandated in the index methodology (including downgrade to below investment grade), the portfolio will be rebalanced within 30 calendar days.
- In case the rating of any security is downgraded to below investment grade, the said security may be segregated in accordance with para 4.4.4. and 4.4.5 of SEBI Master Circular on Mutual Funds on "Creation of segregated portfolio in mutual fund schemes".

#### Rebalancing due to short term defensive consideration:

The above mentioned investment pattern is indicative and may change for short duration.

Subject to the SEBI (MF) Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, and political and economic factors. Such changes in the investment pattern will be for short term and defensive considerations as per para 1.14.1.2 of SEBI Master Circular on Mutual Funds dated June 27, 2024. However, due to market conditions, the AMC may invest beyond the range set out above. Such deviations shall normally be for a short-term purpose only not exceeding 7 calendar days, for defensive considerations and the intention being at all times to protect the interests of the Unit Holders.

Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordanice with the provisions of sub regulation (15A) of Regulation 18 of the SEBI (MF) Regulations.

Any transactions undertaken in the scheme portfolio in order to meet the redemption and subscription obligations shall be done while ensuring that post such transactions replication of the portfolio with the index is maintained at all points of time.

#### Investment Strategy

The Scheme follows a passive investment strategy. The Scheme will replicate income over the constant maturity period of its underlying index i.e., CRISIL-IBX Financial Services 3 to 6 Months Debt Index, subject to tracking errors. Accordingly, the Scheme will invest in securities in line with the benchmark index of the Scheme.

In line with constant maturity profile of the underlying Index, the scheme follows perpetual structure, wherein the scheme would be rebalanced as per set frequency and remain in line with maturity profile. The Scheme shall endeavour to replicate the index in line with para 3.5.3 of SEBI Master Circular on Mutual Funds dated June 27, 2024. In case the Scheme is not able to replicate the index, the Fund Manager may invest subject to deviations as permitted by SEBI Master Circular on Mutual Funds dated June 27, 2024, as amended from time to time.

 $The Scheme\ will\ also\ invest\ in\ money\ market\ instruments\ in\ line\ with\ the\ asset\ allocation\ defined.$ 

All the requirements specified in para 3.5 of SEBI Master Circular for Mutual Funds dated June 27, 2024 have been complied with and relevant disclosures stipulated in the said circular is incorporated in the SID.

Investment in Direct Plan: Investors applying under Direct Plan, are advised to write the word 'DIRECT' in the column 'ARN No' or 'Broker Code' in their applications for purchases/additional purchases/switches in all such cases where applications are not routed through any distributor/agent/broker. In cases where unit holder uses a pre-printed transaction slip/application form where details in the 'ARN No' or 'Broker Code' column is already printed, unit holder should cancel the ARN No/ Broker Code, write 'DIRECT' in the said column. Also, in case ARN No/ Broker Code is mentioned in the application form, but "Direct Plan" is indicated, the ARN No/ Broker Code will be ignored and the application will be processed under Direct Plan, subject to it being complete in all other aspects. Further, where application is received for Regular Plan without Distributor code or "Direct" mentioned in the ARN Column, the application will be processed under Direct Plan.
- b. Employee Unique Identification Number (EUIN) is a unique number allotted to Sales personnel i.e. employee/relationship manager/sales person of the distributor interacting with the investor for the sale of mutual fund products. Such sales personnel associated with Distributor, should also be holding a valid NISM certificate. Thus, in case of applications routed through distributors, in addition to the AMFI Registration Number (ARN) of the distributor, Investors are requested to also provide the EUIN of the individual ARN holder or of employee/relationship manager/sale person of the Distributor interacting with the investor. Providing appropriate EUIN in the application/transaction forms would assist in tackling the problem of mis-selling even if the Sales personnel on whose advice the transaction was executed by investor leaves the employment of the distributor or his/her sub broker. If the distributor has not given any advice pertaining to the investment (i.e. transaction is 'execution only'), then the EUIN box may be left blank, but it would be mandatory for the investor to provide confirmation as mentioned in the application form

   KYC Application Form and carry out the KYC process including In-Person Verification (IPV) with any

- Once the investor has done KYC with a SEBI registered intermediary, the investor need not undergo
  the same process again with another intermediary including mutual funds. However, the Mutual
  Fund reserves the right to carry out fresh KYC of the investor.
- 4. It is mandatory for intermediaries including mutual funds to car out In-Person Verification (IPV) of its new investors w.e.f January 01, 2012. The IPV carried out by any SEBI registered intermediary can be relied upon by the Mutual Fund. ABSLAMC and NISM/AMFI certified distributors who are KYD compliant are authorized to undertake the IPV for Mutual Fund investors. Further, in case of any applications received directly (i.e. without being routed through the distributors) from the investors, the Mutual Fund may rely upon the IPV (on the KYC Application Form) performed by the scheduled commercial banks.
- Existing KYC compliant investors of the Mutual Fund can continue to invest as per the current practice. However, existing investors are also urged to comply with the new KYC requirements including IPV as mandated by SEBI.
