Such changes in the investment pattern will be for short term and defensive considerations. However, due to market conditions, the AMC may invest beyond the range set out above. Such deviations shall normally be for a short-term purpose only, for defensive considerations and the intention being at all times to protect the interests of the Unit Holders. The Fund Manager shall rebalance the portfolio within 30 days from the date of deviation to bring it in line with the asset allocation pattern as indicated in this SID. Further, in case the rebalancing is not done within the specified period, justification for the same shall be provided to the Investment Committee and the reason for the same shall be recorded in writing. Investment Strategy	<p>The 30s Plan</p> <p>The Plan aims to invest primarily in a well-diversified portfolio of equity and equity related securities. The fund manager proposes to concentrate on business and economic fundamentals driven by in-depth research techniques and employing the full potential of the research team at the AMC. The stock selection process proposed to be adopted is generally a bottom-up approach seeking to identify companies with long term sustainable competitive advantage. The fund would also use a top down discipline by ensuring representation of companies from all key sectors in respective benchmarks.</p> <p>The fund manager would primarily focus on long term growth for identifying stocks on the equity side. The objective would be to identify businesses with superior growth prospects and strong management available at reasonable valuation and offering higher risk adjusted returns. The fund would follow blend of bottom up approach (for stock selection) and top down approach (for sector allocation). The fund would follow flexi cap approach on market cap depending on risk return profile of various sub segments of the market. The decision to sell would be based on price reaching its fair value or availability of alternative investment opportunity offering higher risk adjusted returns or anticipated price appreciation no longer possible due to change in business fundamentals.</p> <p>The 40s Plan</p> <p>The Plan invests predominantly in equity and equity related instruments with marginal allocation to debt and money market instruments.</p> <p>On the equity front, the fund manager proposes to concentrate on business and economic fundamentals driven by in-depth research techniques and employing the full potential of the research team at the AMC. Risk Profile of the Scheme	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the Scheme Information Memorandum (SID) carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:</p> <p>Investments in the Scheme are subject to various risk factors including but not limited to risks associated with: investment in Equity and Equity related instruments, investments in Fixed Income Securities such as Price-Risk or Interest-Rate Risk, Credit Risk, Liquidity or Marketability Risk, Reinvestment Risk etc., investments in Derivatives (The risks associated with the use of derivatives are different from or possibly greater than the risks associated with investing directly in securities and other traditional investments), investments in Repo Transactions in Corporate Bond, investments in Foreign Securities, investments in Securitised Debt assets, which would be in the nature of Mortgage Backed Securities (MBS) and Asset Backed Securities (ABS) with underlying pool of assets and receivables like Housing Loans, Auto Loans and Corporate Loans. The various risks associated with securitised assets include Prepayment Risk, Credit Risk, Liquidity Risk, Conversion risk, Price risks etc. The Scheme shall not engage in Stock lending or short selling activities. Different types of securities in which the Scheme would invest as given in the SID/Key Information Memorandum carry different levels and types of risk. Accordingly the scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. The above are some of the common risks associated with investments in various securities. There can be no assurance that a Scheme's investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis. Further, the Fund/AMC is not guaranteeing or assuring any returns. Further, it should be noted that the actual distribution of dividends and the frequency thereof are indicative and will depend, inter-alia, on availability of distributable surplus. Dividend payouts will be entirely at the discretion of the Trustee.</p>

	<p>Investors may, if they wish, consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, i.e. before making a decision to invest/redeem Units.</p> <p>Investors in the Scheme are not being offered any guaranteed returns. Please refer to SID for detailed scheme specific risk factors.</p>
Risk Control	<p>Investments made by the Investment Plans under the Scheme would be in accordance with the investment objectives of the Scheme and provisions of SEBI (MF) Regulations. Since investing requires disciplined risk management, the AMC would incorporate adequate safeguards for controlling risks in the portfolio construction process. The risk control process involves reducing risks through portfolio diversification, taking care however not to dilute returns in the process. The Scheme will try and mitigate this risk by investing in sufficiently large number of companies, so as to maintain optimum diversification and keep stock specific concentration risk relatively low. The AMC believes that this diversification would help achieve the desired level of consistency in returns. The AMC aims to identify securities, which offer superior levels of yield at lower levels of risks. With the aim of controlling risks, the investment team of the AMC will carry out rigorous in-depth analysis of the securities proposed to be invested in. The Scheme may also use various derivatives products for the purpose of hedging and portfolio balancing from time to time, with an attempt to protect the value of the portfolio and enhance Unitholders' interest. While these measures are expected to mitigate the above risks to a large extent, there can be no assurance that these risks would be completely eliminated.</p>

development of a mechanism for centralization of the KYC records to avoid duplication of KYC Process across the intermediaries in the securities market, the following changes are being made to KYC process:

1. SEBI has introduced a common KYC Application Form for all the SEBI registered intermediaries viz. Mutual Funds, Portfolio Managers, Depository Participants, Stock Brokers, Venture Capital Funds, Collective Investment Schemes, etc. New Investors are therefore requested to use the common KYC Application Form and carry out the KYC process including In-Person Verification (IPV) with any SEBI registered intermediaries including mutual funds. The KYC Application Forms are also available on our website www.adityabirlacapital.com.
2. The Mutual Fund shall perform the initial KYC of its new investors and may undertake enhanced KYC measures commensurate with the risk profile of its investors. The Mutual Fund shall upload the details of the investors on the system of the KYC Registration Agency (KRA). Registrar & Transfer Agent (RTA) of the Mutual Fund may also undertake the KYC of the investors on behalf of the Mutual Fund. KRA shall send a letter to the investor within 10 working days of the receipt of the initial/updated KYC documents from the Mutual Fund, confirming the details thereof.
3. Once the investor has done KYC with a SEBI registered intermediary, the investor need not undergo the same process again with another intermediary including mutual funds. However, the Mutual Fund reserves the right to carry out fresh KYC of the investor.
4. It is mandatory for intermediaries including mutual funds to carry out In-Person Verification (IPV) of its new investors w.e.f January 01, 2012. The IPV carried out by any SEBI registered intermediary can be relied upon by the Mutual Fund. ABSLAMC and NISM/AMFI certified distributors who are KYD compliant are authorized to undertake the IPV for Mutual Fund investors. Further, in case of any applications received directly (i.e. without being routed through the distributors) from the investors, the Mutual Fund may rely upon the IPV (on the KYC Application Form) performed by the scheduled commercial banks.

Further, as per SEBI circular dated April 24, 2020, earlier circular on IPV stands modified as under:

8. ELECTRONIC PAYOUT OF REDEMPTION/DIVIDEND

ABSLAMC will endeavor to credit the redemptions/dividend payouts directly to the designated Bank A/c of the unitholders of Aditya Birla Sun Life Mutual Fund schemes through any of the available electronic mode (i.e. RTGS/ NEFT / Direct Credit/ NECS/ ECS). ABSLAMC reserves the right to use any of the above mode of payment as deemed appropriate for all folios where the required information is available. **The Mutual Fund, however, reserves the right to issue a cheque / demand draft inspite of an investor opting for Electronic Payout.**

9. DIRECT APPLICATIONS AND EUIN

- a. **Investment in Direct Plan:** Investors applying under Direct Plan, are advised to write the word "DIRECT" in the column 'ARN No' or 'Broker Code' in their applications for purchases/additional purchases/switches in all such cases where applications are not routed through any distributor/ agent/ broker. In cases where unit holder uses a pre-printed transaction slip/application form where details in the 'ARN No' or 'Broker Code' column is already printed, unit holder should cancel the ARN No/ Broker Code, write 'DIRECT' in the said column. **Also, in case ARN No/ Broker Code is mentioned in the application form, but "Direct Plan" is indicated, the ARN No/ Broker Code will be ignored and the application will be processed under Direct Plan, subject to it being complete in all other aspects. Further, where application is received for Regular Plan without Distributor code or "Direct" mentioned in the ARN Column, the application will be processed under Direct Plan.**
- b. Employee Unique Identification Number (EUIN) is a unique number allotted to Sales personnel i.e. employee/ relationship manager/ sales person of the distributor interacting with the investor for the sale of mutual fund products. Such sales personnel associated with Distributor, should also be holding a valid NISM certificate. **Thus, in case of applications routed through distributors, in addition to the AMFI Registration Number (ARN) of the distributor, investors are requested to also provide the EUIN of the individual ARN holder or of employee/relationship manager/sale person of the Distributor interacting with the investor.** Providing appropriate EUIN in the application/transaction forms would assist in tackling the problem of mis-selling even if the Sales personnel on whose advice the transaction was executed by investor leaves the employment of the distributor or his/her sub broker. If the distributor has not given any advice pertaining to the investment (i.e. transaction is 'execution only'), then the EUIN box may be left blank, but it would be mandatory for the investor to provide confirmation as mentioned in the application form.
