- ii) Nomination made by unitholder shall be applicable for investments in all the Schemes in the folio or account and every new nomination for a folio or account will overwrite the existing nomination. Thus, a new nomination request will imply simultaneous cancellation of existing nomination and request for fresh nomination.

Non-individuals including society, trust, body corporate, partnership firm, Karta of Hindu Undivided Family, holder of Power of Attorney cannot nominate. - v) A minor can be nominated and in that event, the name and address of the guardian of the minor nominee shall be provided by the unit holder. The Applicant is advised that, in case of Single Holding, the Guardian to a Minor Nominee should be a person other than the Applicant.

8. ELECTRONIC PAYOUT OF REDEMPTION

ABSLAMC will endeavor to credit the redemptions directly to the designated Bank A/c of the unitholders of Aditya Birla Sun Life Mutual Fund schemes through any of the available electronic mode (i.e. RTGS/ NEFT / Direct Credit/ NECS/ ECS). ABSLAMC reserves the right to use any of the above mode of payment as deemed appropriate for all folios where the required information is available. **The Mutual Fund, however, reserves the right to issue a cheque / demand draft inspite of an investor opting for Electronic Payout.**

9. DIRECT APPLICATIONS AND EUIN

- a. **Investment in Direct Plan:** Investors applying under Direct Plan, are advised to write the word 'DIRECT' in the column 'ARN No' or 'Broker Code' in their applications for purchases/additional purchases/switches in all such cases where applications are not routed through any distributor/ agent/ broker. In cases where unit holder uses a pre-printed transaction slip/application form where details in the 'ARN No' or 'Broker Code' column is already printed, unit holder should cancel the ARN No/ Broker Code, write 'DIRECT' in the said column. **Also, in case ARN No/ Broker Code is mentioned in the application form, but "Direct Plan" is indicated, the ARN No/ Broker Code will be ignored and the application will be processed under Direct Plan, subject to it being complete in all other aspects. Further, where application is received for Regular Plan without Distributor code or "Direct" mentioned in the ARN Column, the application will be processed under Direct Plan.**

- b. Employee Unique Identification Number (EUIIN) is a unique number allotted to Sales personnel i.e. employee/ relationship manager/ sales person of the distributor interacting with the investor for the sale of mutual fund products. Such sales personnel associated with Distributor, should also be holding a valid NISM certificate. **Thus, in case of applications routed through distributors, in addition to the AMFI Registration Number (ARN) of the distributor, Investors are requested to also provide the EUIIN of the individual ARN holder or of employee/relationship manager/sale person of the Distributor interacting with the investor.** Providing appropriate EUIIN in the application/transaction forms would assist in tackling the problem of mis-selling even if the Sales personnel on whose advice the transaction was executed by investor leaves the employment of the distributor or his/her sub broker. If the distributor has not given any advice pertaining to the investment (i.e. transaction is 'execution only'), then the EUIIN box may be left blank, but it would be mandatory for the investor to provide confirmation as mentioned in the application form.

	Investment in Debt instruments (for liquidity purpose) will be of less than 1-year residual maturity.		
	The Investment Manager would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. Under normal circumstances, such tracking errors are not expected to exceed 2% per annum. However, this may vary when the markets are very volatile. However, there can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the Underlying Index.		
	In accordance with SEBI Circular No. Cir/ IMD/ DF/ 11/ 2010 dated August 18, 2010 and SEBI circular no. SEBI/HO/IMD/DF2/CIR/P/2021/024 dated March 04, 2021, the cumulative gross exposure through equity, debt and equity derivative positions and such other securities/assets as may be permitted by the Board from time to time should shall not exceed 100% of the net assets of the scheme.		
	<u>Exposure limit for Securities Lending and Borrowing:</u>		
	Subject to SEBI (MF) Regulations and in accordance with Securities Lending Scheme, 1997, SEBI Circular No MFD/CIR/ 01/ 047/99 dated February 10, 1999, SEBI Circular no. SEBI /IMD / CIR No 14 / 187175/ 2009 dated December 15, 2009, as amended from time to time, the Scheme may engage in Stock Lending subject to the following limits:		
	(i) Not more than 20% of the net assets of the Scheme can be deployed in Stock Lending; and		
	(ii) Not more than 5% of the net assets of the Scheme can be deployed in Stock Lending to a single intermediary level.		

	<p>The Scheme shall not undertake short selling and shall not invest in securitised debt, Credit Default Swaps, Repo in Corporate Debt Securities, (Fixed income) derivative instruments, ADR/GDR, foreign securities, debt instruments with special features and Structured Obligations / Credit Enhancements.</p> <p>Change in Asset Allocation</p> <p>The Scheme, in general, will hold all the securities that comprise of underline Index in the same proportion as the index. Expectation is that, over a period of time, the tracking error of the Scheme relative to the performance of the Underlying Index will be relatively low.</p> <p>The Investment Manager would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. There can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the Underlying Index.</p> <p>If the investments fall outside the asset allocation range given above, the portfolio of the Scheme will be rebalanced within a period of 7 days. The funds raised under the Scheme shall be invested only in securities as permitted by SEBI (Mutual Funds) Regulations, 1996.</p> <p>Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the SEBI (MF) Regulations.</p>
<p>Investment Strategy</p>	<p>The Scheme will be managed passively with investments in stocks in a proportion to the weightage of these stocks in the Nifty IT TRI. The investment strategy would revolve around reducing the tracking error to the least possible through regular rebalancing of the portfolio, taking into account the change in weights of stocks in the index as well as the incremental collections / redemptions in the Scheme. Since the Scheme is an exchange traded fund, the Scheme will only invest in the securities constituting the underlying index. However, due to corporate action in companies comprising of the index, the Scheme may be allocated/allotted securities which are not part of the index. Rebalancing of the scheme shall also be carried out whenever there is a change in the underlying index or any change due to corporate action with respect to the constituents of the underlying index within 7 days. The Scheme may also invest in debt/ money market instruments, in compliance with Regulations to meet liquidity and expense requirements.</p> <p>Portfolio Turnover</p> <p>The Scheme shall be a passively managed, index linked, open ended, exchange traded fund. It is therefore expected that there would be a number of subscriptions and redemptions on a daily basis through Authorised Participants and Large Investors. Generally, turnover will depend upon the extent of purchase and redemption of units and the need to rebalance the portfolio on account of change in the composition, if any, and corporate actions of securities included in the Index.</p> <p>The Scheme has no explicit constraints either to maintain or limit the portfolio turnover. It would also be difficult to have any reasonable accuracy in estimating the likely portfolio turnover. However, the fund manager intends to avoid any transactions in the portfolio unless there is any subscription, redemption or change in the underlying Index. Thus, given the structure and objective of the portfolio, the portfolio turnover is likely to be low.</p>
<p>Risk Profile of the Scheme</p>	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the Scheme Information Memorandum (SID) carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:</p> <p>Investments in the Scheme are subject to various risk factors including but not limited to risks associated with: investing in companies forming part of NIFTY IT TRI, liquidity risk, regulatory risk, passive management of investments, lack of active market, tracking error, redemption risk, investment in Equity and Equity related instruments, investments in Fixed Income Securities such as Price-Risk or Interest-Rate Risk, Credit Risk, Liquidity or Marketability Risk, Reinvestment Risk etc., investments in Derivatives (The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments), risk associated with listing of units, risk associated with Securities Lending and Borrowing and risk associated with Creation Of Segregated Portfolio. Different types of securities in which the Scheme would invest as given in the Scheme Information Document/Key Information Memorandum carry different levels and types of risk. The above are some of the common risks associated with investments in various securities. There can be no assurance that a Scheme's investment objective will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis. Further, the Fund/AMC is not guaranteeing or assuring any returns. Investors may, if they wish, consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, i.e. before making a decision to invest/redeem Units.</p> <p>Investors in the Scheme are not being offered any guaranteed returns. Please refer to SID for detailed scheme specific risk factors.</p>
<p>Tracking Error Risk</p>	<p>While the objective of the Scheme is to closely track the index, the performance may not be commensurate with the performance of the underlying Index on any given day or over any given period. Such variations are commonly referred to as the tracking error.</p> <p>Tracking errors are inherent in any index fund and such errors may cause the scheme to generate returns which are not in line with the performance of the Nifty IT TRI or one or more securities covered by / included in the Nifty IT TRI and may arise from a variety of factors including but not limited to:</p> <ul style="list-style-type: none"> Any delay experienced in the purchase or sale of shares due to illiquidity of the market, settlement and realisation of sale proceeds and / or the registration of any securities transferred and resulting delays in reinvesting them. The Nifty IT TRI reflects the prices of securities at close of business hours. However, the Fund may buy or sell the securities at different points of time during the trading session at the then prevailing prices which may not correspond to the closing prices on the NSE. The constituent stocks of the underlying index may be revised periodically by either excluding or including new securities. In such an event, the Fund will endeavour to reallocate its portfolio but the available investment/ disinvestment opportunities may not permit precise mirroring of the underlying index in a short period of time. The charging of expenses to the scheme including investment management fees and custodian fees. The potential for trades to fail, which may result the Schemes not having acquired shares at a price necessary to track the index. The holding of a cash position and accrued income prior to distribution and accrued expenses. Disinvestments to meet redemptions, recurring expenses, etc. <p>AMC would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. Under normal circumstances, such tracking errors are not expected to exceed 2% per annum. However, this may vary due to the reasons mentioned above or any other reasons that may arise and particularly when the markets are very volatile. However, there can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the Underlying Index.</p>
<p>Plans/Options</p>	<p>Not Available.</p> <p>The AMC/Trustee reserve the right to introduce Plan(s)/Option(s) as may be deemed appropriate at a later date.</p>

The Fund may also allow Cash (through RTGS / Transfer / Cheque) subscription / redemption in creation unit size by Large investors / Authorised Participants.</p> <p>For transactions by Authorized Participants / large investors directly with the AMC, intra-day NAV, based on the executed price at which the securities representing the underlying index are purchased / sold shall be applicable.</p> <p>While the Applicable NAV shall be as per cut-off time specified above, the NAV shall be declared in accordance with the provisions as mentioned in this SID.</p> <p>For transactions done on the stock exchange</p> <p>An investor can buy/sell Units on a continuous basis on the NSE on which the Units are listed during the trading hours on all trading days.
