<p>The cumulative gross exposure to instruments forming part of the Index, debt, cash and cash equivalents, money market instruments and such other securities/assets as may be permitted by the Board from time to time subject to regulatory approvals, if any should not exceed 100% of the net assets of the scheme.</p> <p>Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. SEBI vide letter dated November 3, 2021 has clarified that Cash Equivalent shall consist of Government Securities, T-Bills and Repo on Government Securities.</p> <p>Money Market Instruments include Commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity upto one year, call or notice money, certificate of deposit, usance bill and any other like instruments as specified by the Reserve Bank/SEBI of India from time to time subject to regulatory approvals, if any.</p> <p>During normal circumstances, the Scheme's exposure to money market instruments will be in line with the asset allocation table. However, in case of maturity of securities in the Scheme portfolio, the reinvestment will be in line with the index methodology.</p> <p>The Scheme shall replicate the underlying debt index subject to the requirements as specified under para 3.5.4 of SEBI Master Circular on Mutual Funds .</p> <p>Portfolio Rebalancing</p> <p><u>Rebalancing due to Short Term Defensive Consideration</u></p> <p>The above mentioned investment pattern is indicative and may change for short duration.</p> <p>Subject to the SEBI (MF) Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, and political and economic factors. Such changes in the investment pattern will be for short term and defensive considerations as per para 1.14.1.2 of SEBI Master Circular on Mutual Funds . However, due to market conditions, the AMC may invest beyond the range set out above. Such deviations shall normally be for a short-term purpose only not exceeding 7 calendar days, for defensive considerations and the intention being at all times to protect the interests of the Unit Holders.</p> <p>Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the SEBI (MF) Regulations.</p> <p>Any transactions undertaken in the scheme portfolio in order to meet the redemption and subscription obligations shall be done while ensuring that post such transactions replication of the portfolio with the index is maintained at all points of time.</p>				

Investment Strategy	<p>The Scheme follows a passive investment strategy. The Scheme will replicate income over the target maturity period of its underlying index i.e. CRISIL IBX Gilt Index – April 2033, subject to tracking errors. Accordingly, the Scheme will invest in securities in line with the benchmark index of the Scheme.</p> <p>The Scheme shall be considered to be replicating the underlying index, provided:</p> <ol style="list-style-type: none"> The duration of the portfolio of the Scheme replicates the duration of the underlying index within a maximum permissible deviation of +/- 10%. The following norms for permissible deviation in duration shall apply: <ol style="list-style-type: none"> For portfolio with residual maturity of greater than 5 years: Either +/-6 months or +/-10% of duration, whichever is higher. For a portfolio with residual maturity of upto 5 years: Either +/- 3 months or +/-10% of duration, whichever is higher. However, at no point of time, the residual maturity of any security forming part of the portfolio shall be beyond the target maturity date of the Scheme. <p>The Scheme will also invest in money market instruments in line with the asset allocation defined.</p> <p>All the requirements specified in para 3.5 of SEBI Master Circular for Mutual Funds have been complied with and relevant disclosures stipulated in the said circular is incorporated in the SID.</p>
Risk Profile of the Scheme	<p>Mutual Fund Units involve investment risks including the possible loss of principal. Please read the Scheme Information Memorandum (SID) carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:</p> <p>Investments in the Scheme are subject to various risk factors including but not limited to risks associated with: investments in Fixed Income Securities such as Price-Risk or Interest-Rate Risk, Credit Risk, Liquidity or Marketability Risk, Reinvestment Risk, Prepayment Risk, etc., tracking error risk, risk associated with Creation of Segregated Portfolio. Different types of securities in which the Scheme would invest as given in the Scheme Information Document/Key Information Memorandum carry different levels and types of risk. Accordingly, the scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. The above are some of the common risks associated with investments in various securities. There can be no assurance that the Scheme's investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis. Further, the Fund/AMC is not guaranteeing or assuring any returns. Further, it should be noted that the actual distribution of IDCW and the frequency thereof are indicative and will depend, inter-alia, on availability of distributable surplus. IDCW payouts will be entirely at the discretion of the Trustee.</p> <p>Investors may, if they wish, consult their legal, tax, investment and other professional advisors to determine possible legal, tax, financial or other considerations of subscribing to or redeeming Units, i.e. before making a decision to invest/redeem Units.</p> <p>Investors in the Scheme are not being offered any guaranteed returns. Please refer to SID for detailed scheme specific risk factors.</p>

Subject to the SEBI Regulations, the AMC / Trustee may reject any application received in case the application is found invalid/incomplete or for any other reason in their sole discretion. All allotments will be provisional, subject to realisation of payment instrument and subject to the AMC having been reasonably satisfied about receipt of clear funds. Any redemption or switch out transaction in the interim is liable to be rejected at the sole discretion of the AMC.</p> <p>Allotment to NRIs/FIIs will be subject to RBI approval, if required. It is mandatory for NRIs to attach a copy of the payment cheque / FIRC / Debit Certificate to ascertain the repatriation status of the amount invested. NRI Applicants should also clearly tick on account type as NRE or NRO or FCNR to determine the repatriation status of the investment amount. The AMC and the Registrar may ascertain the repatriation status purely based on the details provided in the application form under Investment and Payment details and will not be liable for any incorrect information provided by the applicants. Applicants will have to coordinate with their authorized dealers and banks to repatriate the investment amount as and when needed. All applications and/or refunds that are rejected for any reason whatsoever will be returned by normal post within 15 days to the address as mentioned by the applicant. The Mutual Fund reserves the right to recover from an investor any loss caused to the Scheme on account of dishonour of cheques issued by him/her/it for purchase of Units.</p>
