Part I. HIGHLIGHTS/SUMMARY OF THE SCHEME

Sr. No.	Title	Description
I.	Name of the scheme	Aditya Birla Sun Life Silver ETF
II.	Category of the Scheme	Exchange Traded Fund (ETF)
III.	Scheme type	An open ended exchange traded fund tracking physical price of Silver
IV.	Scheme code	ABSL/O/O/OET/21/12/0103
V.	Investment objective	The investment objective of the scheme is to generate returns that are in line with the performance of physical silver in domestic prices, subject to tracking error. The Scheme does not guarantee/indicate any returns. There is no assurance or guarantee that the investment objective of the Scheme will be achieved.
VI.	Inception Date	January 31, 2022
VII.	Liquidity/listing details	The Units of the scheme are listed on National Stock Exchange of India Limited (NSE), BSE Limited (BSE) and any other recognised stock exchanges as may be decided by AMC from time to time. The Units of the scheme may be bought or sold on all trading days in round lot of 1 (one) unit at prevailing listed price on such Stock Exchange(s). The AMC will appoint Market Maker (MMs) to provide liquidity for the units of Silver ETFs in secondary market on an ongoing basis. The Market Maker (s) would offer daily two-way quote (buy and sell quotes) in the market. Alternatively, the Market Maker and Large Investors may subscribe to and/or redeem the units of the Scheme with the Mutual Fund on any business day during the ongoing offer period commencing not later than 5 (five) business days from the date of allotment at a price equivalent to applicable NAV and transaction charges, if any. The Market Maker may transact directly with AMC, provided the units offered for subscription and/or redemption are not less than Creation Unit size & in multiples thereof. Large investors can subscribe/redeem directly with the AMC for an amount greater than INR 25 crores. MMs and large investors may directly buy/sell units with the Mutual Fund in creation unit size. All investors including Market Maker, Large Investors and other investors may sell their units on the stock exchange on which these units will be listed on all the trading days of the stock exchange. Mutual fund will repurchase units from Market Makers and Large Investors on any business day provided the value of units offered for repurchase is not less than creation unit size. The redemption consideration shall normally be physical silver and cash component.
VIII.	Market Maker	Rakhsha Bullion, Augmont Enterprises Pvt Ltd
IX.	Creation Unit Size	Creation Unit is fixed number of units of the Scheme, which is exchanged against a predefined quantity and purity (fineness) of physical silver called the "Portfolio Deposit" and a "Cash Component" or cash of equivalent value. The Portfolio Deposit and Cash Component are defined as follows: Portfolio Deposit: Portfolio Deposit consists of physical silver which will be of predefined quantity and purity (fineness) as announced by the AMC from time to time.

		Cash Component: Cash component represents the difference between the applicable net asset value (NAV) of a creation unit size and the market value of the Portfolio deposit. The Portfolio Deposit and Cash Component may change from time to time due to change in NAV and will be decided and announced by AMC. The Creation Unit size for the scheme shall be 30,000 units and in multiples of 1 unit thereof. The Creation Unit size may be changed by the AMC at their discretion and the notice of the same shall be published on website of the Mutual Fund (www.mutualfund.adityabirlacapital.com).
X.	Transaction handling charges	Transaction handling charges include brokerage, depository participant charges, uploading charges and such other charges that the mutual fund may have to incur in the course of accepting the portfolio deposit or for giving a portfolio of securities as consideration for a redemption request. Such transaction handling charges shall be recoverable from the transacting Market Maker or large investor.
XI.	Cost of trading on the stock exchange	The investor shall have to bear costs in the form of bid/ask spread and brokerage or such other cost as charged by the broker for transacting in the units of the Scheme through secondary market.
XII.	Benchmark (Total Return Index)	Price of silver (as per the regulatory norms of Silver daily spot fixing price) Since there is no suitable index catering to silver or instruments linked to silver, the performance of the scheme will be benchmarked against the price of silver (as per the regulatory norms of Silver daily spot fixing price).
XIII.	NAV disclosure	The NAV of Silver ETFs shall be disclosed on daily basis on the website of the AMC. Further, the indicative NAVs of Silver ETFs shall be disclosed on Stock Exchange platforms, where the units of these ETFs are to be listed, on continuous basis during the trading hours. NAV of the scheme will be calculated up to four decimal places. AMC shall update the NAV on AMFI website (www.amfiindia.com) and on the website of the Mutual Fund (www.mutualfund.adityabirlacapital.com) by 09:00 a.m. of the immediately succeeding business day. The Scheme is permitted to take exposure to ETCD. In such cases where the scheme has taken exposure to ETCDs, the NAV of the scheme would be declared by 09:00 a.m. of the immediately succeeding Business Day. In case the scheme ceases to hold exposure to ETCDs, the NAV of the scheme for that day would continue to be declared on 09.00 am on the immediately succeeding Business Day. Subsequent to that day, NAV of the scheme shall be declared on 11.00 p.m., on the same business day. NAV shall also be communicated to stock exchanges where the units of the Scheme are listed. The AMC may also calculate intra-day indicative NAV (computed based on snapshot prices received from NSE and BSE) and will be updated during the market hours on its website www.mutualfund.adityabirlacapital.com. However, AMC will calculate intra-day indicative NAV (computed based on snapshot prices received from NSE and BSE) and update the Indicative NAV periodically on its website atleast once in two hours during market hours. However, disclosure of Indicative NAV will be subject to availability of relevant services like receipt of index value, technological feasibility and other input requirements with respect to uploading of Indicative NAV on stock exchange platform & AMC's website. Intra-day Indicative NAV will not

		have any bearing on the creation or redemption of units directly with the Fund by the Market Maker /Large Investors. Disclosure of indicative Net Asset Value (iNAV) for ETFs on Silver, based on the latest available data for Silver. Accordingly, iNAV disclosed for Silver ETFs may either be static or dynamic depending upon the availability of the underlying price. For further Details, kindly refer Section II.
XIV.	Applicable timelines	• Dispatch of redemption proceeds: The Mutual Fund shall transfer the Redemption proceeds within three working days from date of receipt. However, in case of exceptional circumstances provided by AMFI vide its letter no. AMFI/ 35P/ MEM-COR/ 74 / 2022-23 dated January 16, 2023 redemption or repurchase proceeds will be transferred / dispatched to Unitholders within the time frame prescribed for such exceptional circumstances. For further details, investors are requested to refer to Statement of Additional Information (SAI). A penal interest of 15% p.a. or such other rate as may be prescribed by SEBI from time to time, will be paid in case the payment of redemption proceeds is not made within the stipulated timelines. • Dispatch of IDCW.- Not Applicable

Part II. INFORMATION ABOUT THE SCHEME

A. HOW WILL THE SCHEME ALLOCATE ITS ASSETS?

Under normal circumstances, the asset allocation of the Scheme will be as follows:

Instruments	Indicative Allocations (% of total Assets)	
	Minimum	Maximum
Silver and Silver related Instruments	95%	100%
Debt & Money market instruments (including Cash and Cash Equivalent)	0%	5%

Indicative Table (Actual instrument/percentages may vary subject to applicable SEBI circulars)

Sr. no	Type of Instrument	Percentage of exposure	Circular references
1.	Exchange Traded Commodity Derivatives (ETCDs)	Investment in ETCDs having silver as the underlying by Silver ETFs will be subject to following conditions: (i) The exposure to ETCDs having silver as the underlying shall not exceed 10% of net asset value of the scheme. However, the above limit of 10% shall not be applicable to Silver ETFs where the intention is to take delivery of the physical silver and not to roll over its position to next contract cycle. (ii) The cumulative gross exposure of Silver ETFs shall not exceed 100% of the net assets of the scheme	Para 3.3.2.3 of SEBI Master Circular
2.	Securities Lending and Borrowing	The Scheme will not engage in securities lending and borrowing.	N.A.
3.	Repo /reverse repo in corporate debt securities	The Scheme will not invest in Repo /reverse repo in corporate debt securities	N.A.
4.	Debt instruments having Structured Obligations / Credit Enhancements	The Scheme will not invest in Debt instruments having Structured Obligations / Credit Enhancements.	N.A.
5.	Instruments having special features	The Scheme will not invest in instruments having special features	N.A.
6.	Securitized Debt	The Scheme will not invest in securitized debt.	N.A.
7.	Overseas Securities	The Scheme will not invest in Overseas securities.	N.A.
8.	Short selling	The Scheme will not engage in short selling.	N.A.
9.	Credit Default Swaps	The Scheme will not invest in Credit Default Swaps.	N.A.

The scheme will invest in physical silver of the prescribed quality and standard. A small portion of the net assets will be invested in Debt and money market instruments as permitted by SEBI / RBI including call money market or Tri-party Repo on Government securities or treasury bills or repo to meet the liquidity requirements of the scheme. From time to time, the Scheme may also hold cash.

Note: Whenever SEBI notifies any other silver related instrument with silver as underlying in this regard, the scheme may invest in such instruments with prior approval from SEBI/investors, if required. The portfolio would be reviewed

Aditya Birla Sun Life **Silver ETF**

periodically to address any deviations from the aforementioned allocations due to market changes. The Margin may be placed in the form of such securities/instruments/deposits as may be permitted/eligible to be placed as margin from the assets of the Scheme. The securities/instruments/deposits so placed as margin shall be classified under the applicable category of assets for the purposes of asset allocation.

Money Market Instruments include commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity upto one year, call or notice money, certificate of deposit, usance bill and any other like instruments as specified by the Reserve Bank of India from time to time subject to regulatory approvals, if any.

The AMC will keep the physical silver of atleast 30 kg standard bars with fineness of 999 parts per thousand (or 99.9% purity) confirming to the regulatory norms of Good Delivery Standards (subject to availability).

Investment in Debt instruments (for liquidity purpose) will be of less than 1-year residual maturity.

The cumulative gross exposure through Silver and Silver related Instrument, Debt & Money market instruments (including Cash and Cash Equivalent), Exchange Traded Commodity Derivatives and such other securities/assets as may be permitted by the Board from time to time subject to regulatory approvals, if any should not exceed 100% of the net assets of the scheme.

Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. SEBI vide letter dated November 3, 2021 has clarified that Cash Equivalent shall consist of Government Securities, T-Bills and Repo on Government Securities.

Portfolio Rebalancing

Rebalancing due to short term defensive consideration:

The Scheme shall primarily invest in Physical silver and instruments with silver as underlying, as specified by SEBI and invest a small portion of its net assets in debt and money market securities, to meet the liquidity requirements (for honouring expenses / repurchase / redemptions / etc). In view of the nature of the Scheme, the asset allocation pattern as indicated above may not change, except in line with the changes made in SEBI (MF) Regulations, from time to time.

Subject to the SEBI (MF) Regulations, the asset allocation pattern indicated above may change from time to time, keeping in view market conditions, and political and economic factors. Such changes in the investment pattern will be for short term and defensive considerations as per para 1.14.1.2 of SEBI Master Circular on Mutual Funds . However, due to market conditions, the AMC may invest beyond the range set out above. Such deviations shall normally be for a short-term purpose only not exceeding 7 days, for defensive considerations and the intention being at all times to protect the interests of the Unit Holders.

Provided further and subject to the above, any change in the asset allocation affecting the investment profile of the Scheme shall be effected only in accordance with the provisions of sub regulation (15A) of Regulation 18 of the SEBI (MF) Regulations.

The Investment Manager would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. Under normal circumstances, such tracking errors are not expected to exceed 2% per annum. However, this may vary when the markets are very volatile. However, there can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the Underlying benchmark.

B. WHERE WILL THE SCHEME INVEST?

Subject to the SEBI (MF) Regulations, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

1. Moneys collected under any silver exchange traded fund scheme shall be invested only in silver or silver related instruments, in accordance with sub-regulation (6) of regulation 44 of SEBI MF Regulations.
2. The significant portion of corpus of the Scheme will be invested in physical Silver of 99.9% finenesses i.e. 999 parts per 1000 parts or higher.
3. Securities created and issued by Governments of India and/or repos/reverse repos in such Government Securities as may be permitted by RBI (including but not limited to coupon bearing bonds, zero coupon bonds

Aditya Birla Sun Life **Silver ETF**

and treasury bills).

4. Securities guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills).
5. Debt obligations of domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee.
6. Corporate debt and securities (of both public and private sector undertakings) including Bonds, Debentures, Notes, Strips etc.
7. Money market instruments permitted by SEBI/RBI, having maturities upto one year, in call money market to meet the liquidity requirements.
8. Certificate of Deposits (CDs).
9. Commercial Paper (CPs).
10. The non-convertible part of convertible securities.
11. Exchange Traded commodity derivatives (ETCD's) with silver as underlying.

The securities mentioned above could be listed or to be listed, secured or unsecured, and of varying maturity, as enabled under SEBI Regulations/ circulars/ RBI. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offer or negotiated deals.

C. WHAT ARE THE INVESTMENT STRATEGIES?

The scheme will be managed passively with investments in physical silver of prescribed quantity and quality (fineness) and endeavour to track the spot price of silver. The investment strategy would revolve around reducing the tracking error to the least possible extent. The scheme may also invest in cash and debt/ money market instruments, in compliance with Regulations to meet liquidity and expense requirements.

D. HOW WILL THE SCHEME BENCHMARK ITS PERFORMANCE?

The performance of the Scheme will be benchmarked to the performance of **price of silver (as per the regulatory norms of Silver daily spot fixing price)**.

Rationale for adoption of benchmark:

Since there is no suitable index catering to silver or instruments linked to silver, the performance of the scheme will be benchmarked against the price of silver (as per the regulatory norms of Silver daily spot fixing price). The performance will be placed before the Investment Committee as well as the Board of Directors of the AMC and the Trustee Company in each of their meetings.

E. WHO MANAGES THE SCHEME?

Mr. Sachin Wankhede would be the designated Fund Manager of the Scheme.

ISSUE OF UNITS DURING ONGOING OFFER

- As the Units of the scheme have been listed on National Stock Exchange of India Limited (NSE) and BSE, investors may buy or sell units of scheme on all trading days in round lot of 1 (one) unit at prevailing listed price on such Stock Exchange.
- The fractional units allotted to investors shall not be available for trading on stock exchanges.
- Each Unit of Aditya Birla Sun Life Silver ETF will be approximately equal to 1 (one) gram of Silver.
- Alternatively, Market Maker and Large Investors can directly buy / sell units from the Fund in creation unit size.

FOR SUBSCRIPTION / REDEMPTION OF UNITS DIRECTLY WITH MUTUAL FUND USING PORTFOLIO DEPOSIT AND CASH COMPONENT:

Portfolio Deposit: will be in predefined quantity & purity (fineness) of 999 parts per 1000 (99.9%) of physical silver. The quantity & purity (fineness) of physical silver will be defined & announced by the AMC from time to time.

Cash Component: represents the difference between the applicable net asset value (NAV) of a creation unit size and the market value of the Portfolio Deposit

I) For Subscription of units in Creation Unit size with Portfolio

Deposit and Cash Component:

- MM/LI may submit an application for purchase of units in Creation Unit Size to the AMC on any Business Day, within the applicable cut- off timing for NAV applicability.
- By submitting the application the MM/LI agree to transfer (deposit) the Portfolio Deposit (i.e. physical silver) and / or the cash component in the scheme's account. The physical deposit of silver & Cash Component is explained below. The day on which the application is submitted is referred to as day 'T'.
- MM/LI are required to transfer (deposit) the Portfolio Deposit (i.e. physical silver) to the Custodian latest by T+1 day basis, while the balance Cash Component, if any has to be paid to the AMC only by means of payment instruction of Real Time Gross Settlement (RTGS) or National Electronic Funds Transfer (NEFT) or any other (electronic) mode as may be decided by AMC from time to time.

Aditya Birla Sun Life **Silver ETF**

- 4) As per the agreement with Custodian for physical silver, Custodian will accept physical silver only if it is in compliance with the good delivery as per the regulatory norms
- 5) On having credited the scheme's account with silver deposits in the physical form, Custodian will confirm to the AMC of vaulting of silver and in turn AMC will instruct the Registrar & Transfer Agent, the total number of units to be created & upon realization of Cash Component, the creation of units will be at the NAV of the scheme on day 'T' (i.e. the day on which the application was made by MM/LI within the applicable cut-off timing.)
- 6) The Registrar & Transfer Agent will then allocate the units to the demat account of the MM/LI.

II) For Redemption of units in Creation Unit size with Portfolio

Deposit and Cash Component:

- 1) The procedure by which an MM/LI can redeem units of the scheme in Creation unit size will mirror the procedure for the subscription of units in creation unit size as above.
- 2) MM/LI may make a redemption request to the AMC for redemption of units in Creation Unit size on any business day in a duly filled redemption form, within the applicable cut-off timing for NAV applicability.
- 3) The request for redemption by MM/LI needs to be enclosed with the delivery order used in the depository system duly acknowledged by the DP with whom the MM/LI has a depository account stating the number of units transferred to the scheme's DP account on T+0 business days.
- 4) The redemption price for redemption of units in Creation Unit Size will be based on the applicable NAV and transaction charges, if any on the date of redemption request, subject to cut-off timing limits.
- 5) The delivery of physical silver to MM/LI will be made at the location of the Custodian within the jurisdiction of Mumbai. The expenses associated with taking physical delivery of silver will have to be borne by the MM/LI.
- 6) Cash Component, if any, of the Redemption proceeds will be despatched to MM/LI within 10 Business days of the date of redemption, subject to confirmation with the depository records of the Scheme's DP account.

The Portfolio Deposit and Cash Component may change from time to time due to change in NAV and will be decided and announced by AMC.

FOR SUBSCRIPTION / REDEMPTION OF UNITS DIRECTLY WITH MUTUAL FUND USING CASH ONLY:

I) For Subscription of units in Creation Unit size for Cash:

- AMC shall allow cash purchases of units in Creation Unit Size by MM/LI. They shall make creation request to the AMC where upon the AMC will arrange to purchase the underlying physical silver.
- MM/LI may submit an application for the purchase of units in Creation unit size to the AMC on any business day, within the applicable cut-off timing for the NAV applicability, by payment of requisite cash as determined by AMC by means of payment instruction of Real Time Gross Settlement (RTGS) or National Electronic Funds Transfer (NEFT) or any other (electronic) mode as may be decided by AMC from time to time.
- On receipt of confirmation from the Custodian of crediting the Scheme's account with the silver deposits purchased by the AMC on behalf of MM/LI, AMC will instruct the Registrar & Transfer Agent the total number of units to be created & upon realization of the requisite cash, the creation of units will be at the NAV of the scheme on T day (i.e. the day on which application was made by MM/LI within the applicable cut-off timing).

II) For Redemption of units in Creation Unit size for Cash:

- Also, AMC provides for cash redemption of units in Creation Unit Size by MM/LI. On receipt of such redemption requests, AMC will arrange to sell physical silver on behalf of the MM/LI. Accordingly, the sale proceeds of physical silver after adjusting necessary charges / costs & exit load, if any will be remitted to the AP/LI.
 - The redemption price for redemption of units in Creation Unit Size will be based on the applicable NAV and transaction costs, if any on the date of redemption request, subject to cut-off timing limits.
 - Redemption proceeds will be dispatched to MM/LI within 10 Business days of the date of redemption, subject to confirmation with the depository records of the Scheme's DP account.
- The minimum number of units that can be created / redeemed for Cash directly with the Fund will be announced by the Fund from time to time.

The role of AMC is of a facilitator to the Market Maker/Large Investors to purchase /sell Silver on their behalf for the purpose of creating /redeeming units of the scheme in Creation Unit Size.

The Fund may from time to time change the size of the Creation Unit size in order to equate it with marketable lots of underlying instruments.

The scheme shall meet its expenses out of the cash held & in case, the cash is insufficient to meet the expenses, the scheme may be required to sell the Portfolio Deposit to meet the Scheme expenses resulting into Portfolio Deposit being lower than the units allotted under the scheme.

REDEMPTION / REPURCHASE OF FRACTIONAL UNITS OF THE SCHEME:

1. The AMC provides an option to the investors to redeem fractional units allotted during the NFO, on an ongoing basis. Thus, such Fractional units may be redeemed by unitholders on any business day during the ongoing offer period commencing not later than 5 (five) business days from the date of allotment at a price equivalent to applicable NAV. The AMC only provides for repurchase/redemption of fractional units on ongoing basis i.e. only the Fractional Units allotted during NFO may be sold to AMC/Mutual Fund and they shall not be available for trading on stock exchanges.
2. The request for redemption of fractional units needs to be enclosed with the delivery order used in the depository system duly acknowledged by the DP with whom the Investor has a depository account stating the fractional unit (upto 3 decimals as depicted in transaction statements issued by DP) transferred to the scheme's DP account.
3. The redemption price for redemption of fractional Units will be based on the applicable NAV on the date of redemption request subject to cut-off timing limits.
4. Redemption proceeds shall be dispatched to the unitholders within 10 working days from the date of redemption, subject to confirmation with the depository records of the Scheme's DP account.
5. In case a redemption application is made for greater than 1 unit or different from the fractional allotted to investor during the NFO, the same is liable to be rejected.

For example: If 3.752 units are allotted to an investor during the NFO, the investor can redeem only 0.752 units directly with the AMC. Thus, any redemption application made for greater than or less than 0.752 units shall be liable to be rejected. The remaining 3 whole units will be tradable on the exchange.

A. COMPUTATION OF NAV

The Net Asset Value (NAV) per Unit of the scheme will be computed by dividing the net assets of the scheme by the number of Units outstanding under the scheme on the valuation date. The Mutual Fund will value its investments according to the valuation norms, as specified in Schedule VIII of the SEBI Regulations, or such norms as may be specified by SEBI from time to time.

The NAV of units of the Scheme shall be calculated up to four decimal points as shown below

$$\text{NAV (in INR terms)} = \frac{\text{Market or Fair Value of the scheme's Investments} + \text{Current Assets} - \text{Current Liabilities and Provision}}{\text{Number of Units outstanding under the scheme on the Valuation Date}}$$

VALUATION OF SILVER

- (1) The silver held by a silver exchange traded fund scheme shall be valued at the AM fixing price as per the regulatory norms) in US dollars per troy ounce for silver having a fineness of 999.0 parts per thousand, subject to the following:
 - (a) adjustment for conversion to metric measure as per standard conversion rates;
 - (b) adjustment for conversion of US dollars into Indian rupees as per the RBI reference rate declared by the Foreign Exchange Dealers Association of India (FEDAI); and
 - (c) Addition of-
 - (i) transportation and other charges that may be normally incurred in bringing such silver from London to the place where it is actually stored on behalf of the mutual fund; and
 - (ii) notional customs duty and other applicable taxes and levies that may be normally incurred to bring the silver from London to the place where it is actually stored on behalf of the mutual fund;

Provided that the adjustment under clause (c) above may be made on the basis of a notional premium that is usually charged for delivery of silver to the place where it is stored on behalf of the mutual fund:

Provided further that where the silver held by a silver exchange traded fund scheme has a greater fineness, the relevant prices as per the regulatory norms of AM fixing shall be taken as the reference price under this sub-paragraph.

Illustration of computation of NAV:

Aditya Birla Sun Life **Silver ETF**

If the net assets of the Scheme are Rs.10,55,34,567.12 and units outstanding are 100,00,000, then the NAV per unit will be computed as follows:

$10,55,34,567.12 / 100,00,000 = \text{Rs. } 10.5534 \text{ p.u. (rounded off to four decimals)}$

In accordance with SEBI (MF) Regulations, while determining the price of the units, the mutual fund shall ensure that the repurchase price of the scheme is not lower than 97 per cent of the Net Asset Value.

For other details such as policies w.r.t computation of NAV, rounding off, investment in foreign securities, procedure in case of delay in disclosure of NAV etc. refer to SAI.

B. NEW FUND OFFER (NFO) EXPENSES

These expenses are incurred for the purpose of various activities related to the NFO like sales and distribution fees paid marketing and advertising, registrar expenses, printing and stationery, bank charges etc. All the NFO expenses of the Scheme shall be borne by the AMC.

The entire amount subscribed by the investor subject to deduction of transaction charges, if any, in the scheme during the New Fund Offer will be available to the scheme for investments.

C. ANNUAL SCHEME RECURRING EXPENSES

These are the fees and expenses for operating the scheme. These expenses include Investment Management and Advisory Fee charged by the AMC, Registrar and Transfer Agents' fee, marketing and selling costs etc. as given in the table related to maximum permissible expense below:

Within the limits specified under the SEBI Regulations, the AMC has estimated that the following will be charged to the scheme as expenses. For the actual current expenses being charged, the investor should refer to the website of the mutual fund. Further, any change in the expense ratio will be updated on our website and the same will be communicated to investor via SMS / e-mail 3 working days prior to the effective date of change.

As per Regulation 52(6)(b) of SEBI (MF) Regulations, the total expense ratio of the scheme including the investment and advisory fees shall not exceed 1.00 per cent of the daily net assets.

In addition to total expense permissible within limits of Regulation 52 (6)(b) of SEBI (MF) Regulations as above, the AMC may charge the following to the scheme in terms of Regulation 52(6A) of SEBI (MF) Regulations:

- (a) Brokerage and transaction cost incurred for the purpose of execution of trade shall be charged to the schemes as provided under Regulation 52 (6A) (a) upto 12 bps for cash market transactions and 0.05 per cent of the value of trades in case of derivatives transactions. In terms of para 10.1.14 of SEBI Master Circular on Mutual Funds , any payment towards brokerage and transaction costs (including GST, if any) incurred for the execution of trades, over and above the said 0.12 per cent for cash market transactions and 0.05 per cent of the value of trades in case of derivatives transactions may be charged to the scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under Regulation 52 of the SEBI (MF) Regulations.
- (b) Additional expenses incurred towards different heads mentioned under Regulations 52(2) and 52(4) of SEBI (MF) Regulations, not exceeding 0.05 per cent of daily net assets of the scheme.

The AMC has estimated the following recurring expenses, as detailed in table related to maximum permissible expense below. The expenses are estimated have been made in good faith as per the information available to the AMC based on past experience and are subject to change inter se.

The purpose of the below table is to assist the investor in understanding the various costs and expenses that an investor in the scheme will bear directly or indirectly.

Maximum estimated permissible expense as a % per annum of daily net assets:

Expense Head	% p.a. of daily Net Assets*

Aditya Birla Sun Life Silver ETF

Additional expenses under Regulations 52(6A)(c)**	Upto 0.05%

The above estimates for recurring expense are for indicative purposes only and have been made in good faith as per the information available to the AMC based on past experience.

***such expenses shall not be charged to the scheme where the exit load is not levied or applicable.*

[^] over and above 12 bps and 5 bps for cash and derivative market transactions respectively.

These expenses are in abeyance with effect from March 1, 2023 till further notice.

Note:

- (a) The TER of the Direct Plan will be lower to the extent of the abovementioned distribution expenses/ commission which is charged in the Regular Plan.
- (b) In terms of para 10.1.16 of SEBI Master Circular on Mutual Funds read with SEBI Circular dated December 31, 2024, the AMC / Mutual Fund shall annually set apart 5% of total TER charged to direct plans, subject to maximum of 0.5 bps on AUM of the Scheme within the maximum limit of Total Expense Ratio as per Regulation 52 of the SEBI (MF) Regulations for investor education and awareness initiatives.
- (c) In terms of para 10.3 of SEBI Master Circular on Mutual Funds, AMC may charge the following Fees and expenses as mentioned below:
 - a. **Investment Management and Advisory Fees:** AMC may charge GST on investment management and advisory fees to the Scheme in addition to the maximum limit of Total Expense Ratio as prescribed under Regulation 52 of the SEBI (MF) Regulations.
 - b. **Other than Investment Management and Advisory Fees:** AMC may charge GST on expenses other than investment management and advisory fees to the Scheme within the maximum limit of Total Expense Ratio as prescribed under Regulation 52 of the SEBI (MF) Regulations. Further, GST on Brokerage and transaction cost incurred for execution of trades, will be within the maximum limit of Total Expense Ratio as prescribed under Regulation 52 of the SEBI (MF) Regulations.
- (d) Additional Expenses upto 0.05% of daily net assets as permissible under Regulation 52 (6A) (c) may be charged by AMC under different heads of expenses mentioned under Regulation 52 (2) and (4) and more specifically stated in table above.
- (e) **Maximum Permissible expense:** The maximum total expense ratio (TER) that can be charged to the Scheme will be subject to such limits as prescribed under the SEBI (MF) Regulations. The said maximum TER shall either be apportioned under various expense heads as enumerated above, without any sub limit or allocated to any of the said expense head(s) at the discretion of AMC. Also, the types of expenses charged shall be as per the SEBI (MF) Regulations.

Investors should note that, all scheme related expenses including commission paid to distributors will necessarily be paid from the Scheme only within the regulatory limits and not from the books of the ABSLAMC, its associate, sponsor, trustee or any other entity through any route.

Aditya Birla Sun Life **Silver ETF**

The total recurring expenses of the Scheme excluding issue or redemption expenses, whether initially borne by the Mutual Fund or by the AMC, but including the investment management and advisory fee, shall not exceed the limits as prescribed under Regulation 52 of the SEBI (MF) Regulations.

Illustration of impact of expense ratio on schemes returns:

Expense ratio, normally expressed as a percentage of Average Assets under Management, is calculated by dividing the permissible expenses under the Regulations by the average net assets.

To further illustrate the above, for the Scheme under reference, suppose an Investor invested Rs. 10,000/- the impact of expenses charged will be as under:

Particulars	Direct Plan (Rs.)
Amount invested at the beginning of the year (A)	10,000
Value of above investment at the end of the year (before all applicable expenses) (B)	11,500
Returns before expenses (C)	1,500
Expenses other than Distribution expenses(D)	150
Distribution expenses(E)	-
Value of above investment at the end of the year (post all applicable expenses) (F)	11,350
Returns after expenses at the end of the year (G)	1350
Returns (%) (post all applicable expenses) (H) $(H=(F-A)/A)$	13.5%
Returns (%) (without considering any expenses) (I) $[I= (B-A)/A]$	15%

Note(s):

- The purpose of the above illustration is to purely explain the impact of expense ratio charged to the Scheme and should not be construed as providing any kind of investment advice or guarantee of returns on investments.
- It is assumed that the expenses charged are evenly distributed throughout the year.
- Calculations are based on assumed NAVs, and actual returns on your investment may be more, or less.
- Any tax impact has not been considered in the above example, in view of the individual nature of the tax implications. Each investor is advised to consult his or her own financial advisor.

D. LOAD STRUCTURE

Exit Load is an amount which is paid by the investor to redeem the units from the scheme. Load amounts are variable and are subject to change from time to time. For the current applicable structure, please refer to the website of the AMC (www.mutualfund.adityabirlacapital.com) or may call at 1-800-22-7000/1-800-270-7000 or your distributor.

Type of Load	Load Chargeable (as %age of NAV)
Exit Load	Nil. The units of the scheme shall be compulsorily traded in dematerialized form, and hence, there shall be no exit load for the units purchased or sold through stock exchanges.

Aditya Birla Sun Life **Silver ETF**

	However, the investor shall have to bear costs in form of bid/ask spread and brokerage or such other cost as charged by the broker for transacting in units of the Scheme through secondary market.
--	---

Pursuant to para 10.3 of SEBI Master Circular on Mutual Funds , exit load charged, if any, by the AMC/Mutual Fund to the unitholders shall be credited to the Scheme immediately, net of GST, if any.

The investor is requested to check the prevailing load structure of the scheme before investing.

AMC reserves the right to change / modify the Load structure under the schemes if it so deems fit in the interest of smooth and efficient functioning of the Mutual Fund. AMC reserves the right to introduce / modify the Load depending upon the circumstances prevailing at that time subject to maximum limits as prescribed under the SEBI (MF) Regulations.

Any imposition or enhancement of Load in future as may be permitted under SEBI (MF) Regulations shall be applicable on prospective investments only and will be calculated on First in First Out (FIFO) basis. At the time of changing the Load Structure following measures would be undertaken to avoid complaints from investors about investment in the schemes without knowing the loads:

- I. The addendum detailing the changes would be attached to Scheme Information Document and Key Information Document. The addendum will be circulated to all the distributors / brokers so that the same can be attached to all Scheme Information Documents and Key Information Documents already in stock.
- II. Arrangements will be made to display the addendum in the Scheme Information Document in the form of a notice in all the Investor Service Centres and distributors / brokers office.
- III. The introduction of the Exit Load alongwith the details would be stamped in the acknowledgement slip issued to the investors on submission of the application form and would also be disclosed in the statement of accounts issued after the introduction of such load.
- IV. Any other measure which the AMC/Mutual Fund may feel necessary.

For any change in load structure AMC will issue an addendum and display it on the website/Investor Service Centres

E. REQUIREMENT OF MINIMUM INVESTORS IN THE SCHEME

As per provision 6.11.4.2 of para 6.4 of SEBI Master Circular on Mutual Funds, the provisions with respect to minimum number of investors and maximum holding for single investor are not applicable to an exchange traded fund and accordingly, these provisions shall not be applicable to Aditya Birla Sun Life Silver ETF.

I. INTRODUCTION

A. DEFINITIONS/INTERPRETATION

In this Scheme Information Document, the words and expressions shall have the meaning specified in the following link, unless the context otherwise requires.

<https://mutualfund.adityabirlacapital.com/forms-and-downloads/disclosures>

Interpretation

For all purposes of this Scheme Information Document, except as otherwise expressly provided or unless the context otherwise requires, the terms defined in this Scheme Information Document include the plural as well as the singular. Pronouns having a masculine or feminine gender shall be deemed to include the other. Words and expressions used herein but not defined herein shall have the meanings respectively assigned to them therein under the SEBI Act or the SEBI (MF) Regulations.

All references to "Master Circular" refer to Master Circular for Mutual Funds issued by SEBI dated June 27, 2024 as amended from time to time.

B. RISK FACTORS

For Standard Risk Factors, kindly refer Statement of Additional Information (SAI)

SCHEME SPECIFIC RISK FACTORS

Some of the scheme specific risk factors are included as below but are not limited to the following:

- **Liquidity Risk:** Trading in units of the scheme on the Exchange may be halted because of market conditions or for reasons that in view of the Exchange authorities or SEBI, trading in units of the scheme is not advisable. In addition, trading in units is subject to trading halts caused by extraordinary market volatility and pursuant to Stock Exchange(s) and SEBI "circuit filter" rules as applicable from time to time. There can be no assurance that the requirements of the exchange/s necessary to maintain the listing of units of the scheme will continue to be met or will remain unchanged.
The Mutual Fund scheme has to sell silver only to bullion bankers/ traders who are authorized to buy silver. Though, there are adequate number of players (commercial or bullion bankers) to whom the Fund can sell silver. However, the Fund may have to resort to distress sale of silver if there is no or low demand for silver to meet its cash needs of redemption or expenses.

The Lack of an Active Trading Market

Although the units are listed and traded on the exchange, there can be no guarantee that an active trading market for the units will be maintained. If you need to sell your Shares at a time when no active market for them exists, the price you receive, assuming that you are able to sell them, likely will be lower than the price you would receive if an active market did exist.

Withdrawal from Participation by Market Makers May Affect the Liquidity of Units

If one or more Market Makers withdraws from participation, it may become more difficult to create or redeem Creation Units, which may reduce the liquidity of the Units. Such circumstances may be more pronounced in market conditions of increased volatility. If it becomes more difficult to create or redeem Creation Units, the correlation between the price of the Units and the NAV may be affected, which may affect the trading market for the Units.

- **Regulatory Risk:** Any changes in trading regulations by the stock exchange (s) or SEBI may affect the ability of Market Maker/ Large Investor to arbitrage resulting into wider premium/ discount to NAV. Any changes in any other regulation relating to import and export of silver or silver jewellery (including customs duty, sales tax and any such other statutory levies) may affect the ability of the scheme to buy/sell silver against the purchase and redemption requests received.
- **Passive Management of Investments:** Scheme shall follow a passive investment strategy. The scheme's performance may be affected by the general price decline in the silver prices. The scheme shall invest in Silver regardless of their investment merit. The scheme does not aim to take any defensive position in case of falling

Aditya Birla Sun Life **Silver ETF**

markets.

- **Active Market:** Although the scheme is proposed to be listed on exchange, there can be no assurance that an active secondary market will be developed or maintained. The AMC and the Trustees will not be liable for delay in trading of Units on Stock Exchange due to the occurrence of any event beyond their control. For an investor in less than creation unit size, exchange quotes may not be always available.
- **Risks associated with handling, storing and safekeeping of physical silver:** There is a risk that part or all of the Scheme's silver could be lost, damaged or stolen. Access to the Scheme's silver could also be restricted by natural events or human actions. Any of these actions may have adverse impact on the operations of the scheme and consequently on investment in units.
- **Tracking Error:** The Fund Manager may not be able to invest the entire corpus in the same proportion as in the underlying benchmark due to various factors such as fees, expenses of the scheme, corporate action, cash balance, changes in underlying benchmark and regulatory policies which may affect the AMC's/scheme's ability to achieve close correlation with the underlying benchmark. Tracking error may be accounted by the various reasons which includes expenses, cash balance to meet redemptions, time to reallocate the portfolio subsequent to changes in the underlying benchmark etc. ABSLAMC will endeavor to keep the tracking error as low as possible.

"Tracking Error" i.e. the annualised standard deviation of the difference in daily returns between physical silver and the NAV of Silver ETF based on past one year rolling over data (For ETFs in existence for a period of less than one year, annualized standard deviation shall be calculated based on available data) shall not exceed 2%. The disclosure regarding the same shall be made on monthly basis on the website of the AMC. Tracking Error may arise including but not limited to the following reasons: -

- a. Expenditure incurred by the fund.
- b. The holding of a cash position and accrued income prior to distribution of income and payment of accrued expenses. The fund may not be invested at all times as it may keep a portion of the funds in cash to meet redemptions or for corporate actions.
- c. Securities trading may halt temporarily due to circuit filters.
- d. Corporate actions such as debenture or warrant conversion, rights, merger, change in constituents, etc.
- e. Disinvestments to meet redemptions, recurring expenses, etc.
- f. Execution of large buy / sell orders
- g. Transaction cost (including taxes and insurance premium) and recurring expenses
- h. Realisation of Unit holders' funds

It will be the endeavor of the fund manager to keep the tracking error as low as possible.

There can be no assurance or guarantee that the Scheme will achieve any particular level of tracking error relative to performance of the benchmark.

In case of unavoidable circumstances in the nature of force majeure which are beyond the control of the AMCs, the tracking error may exceed 2%, for which approval of Board of AMC and Trustees shall be taken and the same shall prominently be disclosed on the website of the AMC.

Along with the disclosure of tracking error, Silver ETF schemes shall also disclose the tracking difference i.e. the difference of returns between physical silver and the Silver ETF, on the website of the AMC on monthly basis for tenures 1 year, 3 year, 5 year, 10 year and since the date of allotment of units.

- **Redemption Risk:** Investors may note that even though this is an open ended scheme, the Scheme would repurchase units in creation unit size only. Thus, if the unit holding is less than the creation unit size then it can be sold only through the secondary market on the exchange where the units are to be listed, subject to rules and regulations of the Stock Exchange. The AMC will appoint Market Makers (MMs) to provide liquidity for the units of Silver ETFs in secondary market on an ongoing basis. The Market Maker (s) would offer daily two-way quote (buy and sell quotes) in the market. Further, the price received upon redemption of units may be less than the value of the silver represented by them.
- The market price of the ETF unit like any other listed security is largely dependent on two factors viz. the intrinsic value of the unit (or NAV) and demand and supply of the units in the market. Sizeable demand or supply of the units in exchange may lead to market price of the units to quote at premium or discount to NAV. Hence, the units of the scheme may trade above or below the NAV. However, given that the investors can transact with AMC directly beyond the creation unit size of the scheme there should not be a significant variation (large premium or discount) and it may not sustain due to the arbitrage opportunity available.
- The silver price reflects the prices of silver at a point in time, which is the price at close of business day. The scheme, however, may trade these securities at different points in time during the trading session and therefore the prices at which the scheme trades may not be identical to the closing price of silver.

Aditya Birla Sun Life **Silver ETF**

- **Market Risk:** The value of the Units relates directly to the value of the silver held by the Scheme and fluctuations in the price of silver could adversely affect investment value of the Units. The factors that may affect the price of silver, inter alia, include demand & supply, economic and political developments, changes in interest rates and perceived trends in bullion prices, exchange rates, inflation trends, market movements, movement/trade of silver that may be imposed by RBI, trade and restrictions on import/export of silver or silver jewellery etc. Hence the investor may also lose money due to fluctuation in the prices of the silver.
- **Performance/Asset Class Risk:** The performance of the silver will have a direct bearing on the performance of the scheme. The returns from physical silver may underperform returns from any other asset class.
- **Currency Risk:** The formula for deriving the NAV of the units of the scheme is based on the imported (landed) value of the silver, which is computed by multiplying international market price by US Dollar value. Hence the value of NAV or silver will depend upon the conversion value and attracts all the risk associated with such conversion.
- **Physical silver:** There is a risk that part or all of the Scheme's silver could be lost, damaged or stolen. Access to the Scheme's silver could also be restricted by natural events or human actions. Any of these actions may have adverse impact on the operations of the scheme and consequently on investment in units.
- Price volatility in Silver as a commodity will be much higher because of the industrial use of it. The commodity also goes through different business cycle according to demand situation arising from specific industries.
- Silver as a commodity is very different from Gold. While Gold is considered as the most defensive bet and has act as safe heaven to an investor the same may not be the case with silver. Gold has a separate place in Indian household and is one of the most preferred form of investing in India since ages. This may not be the case for Silver as the commodity is heavily dependent on the industrial use.
- **Counter party Risk:** There is no Exchange for physical silver in India. The Mutual Fund may have to buy or sell silver from the open market, which may lead to counter party risks for the Mutual Fund for trading and settlement.
- **Operational Risks:** Silver Exchange Traded Funds are relatively new products and their value could decrease if unanticipated operational or trading problems arise. Silver Exchange Traded Fund, an open ended Exchange Traded Fund, is therefore subject to operational risks. In addition, investors should be aware that there is no assurance that silver will maintain its long-term value in terms of purchasing power. In the event that the price of silver declines, the value of investment in Units is expected to decline proportionately
- The scheme may not be able to acquire or sell the desired number of units of silver due to conditions prevailing in the market, such as, but not restricted to circuit filters on the silver ETF (if any), liquidity and volatility in silver prices
- The units of the scheme will be compulsorily issued in dematerialised form through depositories. The records of the depository are final with respect to the number of Units available to the credit of Unit holder. Settlement of trades, repurchase of Units by the Mutual Fund will depend upon the confirmations to be received from depository (ies) on which the Mutual Fund has no control. Further, Investors may note that buying and selling units on stock exchange requires the investor to engage the services of a broker and are subject to payment of margins as required by the stock exchange/ broker, payment of brokerage, securities transactions tax and such other costs.
- The NAV of the units of Silver ETF are determined based on the formula as prescribed by the SEBI, whereas the actual price in the market may be different from the value of silver at based on the prescribed formula. This may lead to a condition where the NAV is too different from the domestic market price of silver. In such cases the trustees reserves the right to delay or suspend the buy/sell transactions.
- A day on which valuation as per the regulatory norms is not available shall not be a Business day and hence NAV for the said day shall not be available to the Investors.
- The Trustee, in general interest of the Unit holders of the Scheme offered under this Scheme Information Document and keeping in view of the unforeseen circumstances/ unusual market conditions, may limit the total number of Units, which can be redeemed on any Business Day.
- Governments, central banks and related institutions, own a significant portion of the aggregate world silver holdings. If one or more of these institutions decides to sell in amounts large enough to cause a decline in world silver prices, the price of Units of the Scheme will be adversely affected.
- Conversion of underlying physical silver into the Units of the Scheme may attract capital gain tax depending on acquisition cost and holding period.

Risk Factors associated with investments in Fixed Income Securities:

- **Price-Risk or Interest-Rate Risk:** Fixed income securities such as bonds, debentures and money market instruments run price-risk or interest-rate risk. Generally, when interest rates rise, prices of existing fixed income securities fall and when interest rates drop, such prices increase. The extent of fall or rise in the prices is a

Aditya Birla Sun Life **Silver ETF**

function of the existing coupon, days to maturity and the increase or decrease in the level of interest rates. However, debt securities in this scheme are intended to be held till maturity. For such securities held till maturity, there will not be any interest rate risk at the end of the tenure.

- **Credit Risk:** In simple terms this risk means that the issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. It must, however, be noted that where the Scheme has invested in Government securities, there is no credit risk to that extent.
- **Liquidity or Marketability Risk:** This refers to the ease with which a security can be sold at or near to its valuation Yield-to-Maturity (YTM). The primary measure of liquidity risk is the spread between the bid price and the offer price quoted by a dealer. Liquidity risk is today's characteristic of the Indian fixed income market.
- **Reinvestment Risk:** Investments in fixed income securities may carry reinvestment risk as interest rates prevailing on the interest or maturity due dates may differ from the original coupon of the bond. Consequently, the proceeds may get invested at a lower rate.
- **Pre-payment Risk:** Certain fixed income securities give an issuer the right to call back its securities before their maturity date, in periods of declining interest rates. The possibility of such prepayment may force the fund to reinvest the proceeds of such investments in securities offering lower yields, resulting in lower interest income for the fund.
- Different types of securities in which the scheme would invest as given in the Scheme Information Document carry different levels and types of risk. Accordingly, the scheme's risk may increase or decrease depending upon its investment pattern e.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds, which are AA rated, are comparatively more-risky than bonds, which are AAA rated.
- The above are some of the common risks associated with investments in fixed income and money market securities. There can be no assurance that a Scheme's investment objectives will be achieved, or that there will be no loss of capital. Investment results may vary substantially on a monthly, quarterly or annual basis.

Risk Factors Associated with Investments in Exchange Traded Commodity Derivatives:

Commodity risks

The Fund may invest in commodities markets and may therefore have investment exposure to the commodities markets and one or more sectors of the commodities markets, which may subject the Fund to greater volatility than investments in traditional securities, such as stocks and bonds. Volatility in the commodities markets may be caused by changes in overall market movements, domestic and foreign political and economic events and policies, war, acts of terrorism, changes in domestic or foreign interest rates and/or investor expectations concerning interest rates, domestic and foreign inflation rates, investment and trading activities of mutual funds, hedge funds and commodities funds, and factors such as drought, floods, weather, livestock disease, embargoes, tariffs and other regulatory developments, or supply and demand disruptions. Because the Fund's performance is linked to the performance of volatile commodities, investors should be willing to assume the risks of potentially significant fluctuations in the value of the Fund's shares.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of investment strategies depends upon the ability of the fund manager(s) to identify such opportunities which may always not be available. Identification and execution of the strategies to be pursued by the fund manager(s) involve uncertainty and decision of fund manager(s) may not always be profitable. No assurance can be given that the fund manager(s) will be able to identify or execute such strategies.

Systemic risks which may be witnessed while trading in Indian Commodities Market are Liquidity risk, Price risk in terms of volatility, Exchange Risk and counterparty risks.

- **Liquidity Risk:** While ETCDs that are to be listed on an exchange carry lower liquidity risk, the ability to sell these contracts is limited by the overall trading volume on the exchanges. The liquidity of the Schemes' investments is inherently restricted by trading volumes of the ETCD contracts in which it invests. Additionally, change in margin requirements or intervention by government agencies to reduce overall volatility in the underlying commodity could lead to adverse impact on the liquidity of the ETCD.
- **Price risk:** ETCDs are leveraged instruments hence, a small price movement in the underlying security could have a large impact on their value. Also, the market for ETCDs is nascent in India hence, arbitrage can occur between the price of the physical commodity and the ETCD, due to a variety of reasons such as technical issues and volatile movement in the price of the physical good. This can result in mispricing and improper valuation of investment decisions as it can be difficult to ascertain the amount of the arbitrage.

- **Settlement risk:** ETCDs can be settled either through the exchange or physically. The inability to sell ETCDs held in the Schemes' portfolio in the exchanges due to the extraneous factors may impact liquidity and would result in losses, at times, in case of adverse price movement. Wherein the underlying commodity is physically delivered in order to settle the derivative contract, such settlement could get impacted due to various issues, such as logistics, Government policy for trading in such commodities.

If the Commodities futures position passes its last square off date or the 'Intention' is missed to be provided before the Delivery Intention period, the buyer or the seller will be allocated delivery of the commodity. Thus, there emerges a risk of holding goods in physical form at the warehouses. Though the commodity is inclusive of insurance cost, there is a small deductible in each claim which is not payable by the Insurance company.

Risks Factors Associated with Creation Of Segregated Portfolio:

Different types of securities in which the scheme would invest carry different levels and types of risk as given in the Scheme Information Document of the scheme. In addition to the same, unitholders are requested to also note the following risks with respect to Segregated Portfolio:

Liquidity Risk: A lower level of liquidity affecting an individual security (ies) or an entire market may have an adverse bearing on the value of the Segregated Scheme's assets. This may more importantly affect the ability to sell particular securities with minimal impact cost as and when necessary to meet requirement of liquidity or to sell securities in response to triggers such as a specific economic/corporate event. Trading volumes, settlement periods and transfer procedures may restrict the liquidity of a few of the investments. This may impact the NAV of the segregated portfolio and could result into potential loss to the Unit holders.

Credit risk: The scheme's risk may increase or decrease depending upon its investment pattern. E.g. corporate bonds carry a higher amount of risk than Government securities. Further even among corporate bonds, bonds, which are AA rated, are comparatively more risky than bonds, which are AAA rated. Investment in unrated securities may be riskier compared to investment in rated instruments due to non-availability of third party assessment on the repayment capability of the issuer. As the securities are unrated, an independent opinion of the rating agency on the repayment capability of the issuer will not be available. The issuer of a debenture/ bond or a money market instrument may default on interest payment or even in paying back the principal amount on maturity. Even where no default occurs, the price of a security may go down because the credit rating of an issuer goes down. This may impact the NAV of the segregated portfolio and resultant loss to the Unit holders.

Listing of units: Listing of units of segregated portfolio in recognized stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further, trading price of units on the stock market may be significantly lower than the prevailing NAV.

C. RISK MITIGATION STRATEGIES

TRACKING ERROR RISK

While the objective of the Scheme is to closely track the price of Physical Silver, the performance may not be commensurate with the Price of Silver on any given day or over any given period. Such variations are commonly referred to as the tracking error.

Tracking errors may cause the scheme to generate returns which are not in line with the performance of the underlying benchmark and may arise from a variety of factors including but not limited to:

- Any delay experienced in the purchase or sale of Silver due to:
 - Illiquidity of Silver,
 - Delay in realization of sale proceeds,
 - Creating a lot size to buy the required amount of silver.
- The charging of expenses to the scheme including investment management fees, custodian fees, taxes, levies, etc.
- The potential for trades to fail, which may result in the Scheme not having acquired silver at a price necessary to track the benchmark.
- The holding of a cash position prior to distribution and accrued expenses.
- Execution of large buy/sell orders
- The Scheme may buy or sell silver at different points of time during the trading session at the then prevailing prices which may not correspond to its closing prices.
- Disinvestments to meet redemptions, recurring expenses etc.

AMC would monitor the tracking error of the Scheme on an ongoing basis and would seek to minimize tracking error to the maximum extent possible. Under normal circumstances, such tracking errors are not expected to exceed 2% per annum. However, this may vary due to the reasons mentioned above or any other reasons that may arise and particularly when the markets are very volatile.

Tracking Difference:

The tracking difference i.e. the annualized difference of daily returns between the index and the NAV of the Scheme will be disclosed on the website of the AMC and AMFI, on a monthly basis, for tenures 1 year, 3 year, 5 year, 10 year and since the date of allotment of units. Tracking Difference shall not exceed 50 bps (over and above the actual TER charged.)

II. INFORMATION ABOUT THE SCHEME:

A. WHERE WILL THE SCHEME INVEST?

Subject to the Regulations, the corpus of the Scheme can be invested in any (but not exclusively) of the following securities:

1. Moneys collected under any silver exchange traded fund scheme shall be invested only in silver or silver related instruments, in accordance with sub-regulation (6) of regulation 44 of SEBI MF Regulations.
2. The significant portion of corpus of the Scheme will be invested in physical Silver of 99.9% fineness i.e. 999 parts per 1000 parts or higher.
3. Exchange Traded commodity derivatives (ETCD's) with silver as underlying.

4. Debt and Money Markets Instruments

1. **Certificate of Deposits (CD)** – CD is a negotiable money market instrument issued by scheduled commercial banks and select all-India Financial Institutions that have been permitted by the RBI to raise short term resources. The maturity period of CDs issued by the Banks is between 7 days to one year, whereas, in case of FIs, maturity is between one year to 3 years from the date of issue. CDs may be issued at a discount to face value.
2. **Commercial Paper (CP)** -CP is an unsecured negotiable money market instrument issued in the form of a promissory note, generally issued by the corporates, primary dealers and all India Financial Institutions as an alternative source of short term borrowings. They are issued at a discount to the face value as may be determined by the issuer. CP is traded in secondary market and can be freely bought and sold before maturity.
3. Securities issued by the Central and State Governments as may be permitted by RBI, securities

Aditya Birla Sun Life **Silver ETF**

guaranteed by the Central and State Governments (including but not limited to coupon bearing bonds, zero coupon bonds and treasury bills). Central Government securities are sovereign debt obligations of the Government of India with zero-risk of default and issued on its behalf by RBI. They form part of Government's annual borrowing programme and are used to fund the fiscal deficit along with other short term and long term requirements. Such securities could be fixed rate, fixed interest rate with put/call option, zero coupon bond, floating ratebonds, capital indexed bonds, fixed interest security with staggered maturity payment etc. State Government securities are issued by the respective State Government in co-ordination with the RBI.

4. Debt securities of domestic Government agencies and statutory bodies, which may or may not carry a Central/State Government guarantee –These are instruments which are issued by various government agencies and bodies. They can be issued at discount, par or premium.
5. Corporate debt and securities (of both public and private sector undertakings) including Bonds, Debentures, Notes, Strips etc. These are instruments issued by corporate entities for their business requirements. They are generally rated by credit rating agencies, higher the rating lower the risk of default.
6. The non-convertible part of convertible securities – Convertible securities are securities which can be converted from Debt to Equity shares. The non-convertible part cannot be converted into Equity shares and work like a normal debt instrument.
7. **Investment in money market instrument** - The Scheme may also invest in money market instruments, in compliance with Regulations. Money Market Instruments include commercial papers, commercial bills, treasury bills, Government securities having an unexpired maturity upto one year, call or notice money, certificate of deposit, usance bill and any other like instruments as specified by the Reserve Bank/SEBI of India from time to time subject to regulatory approvals, if any.
8. **Investment in Short Term Deposits** –Pending deployment of funds as per the investment objective of the Scheme, the Funds may be parked in short term deposits of the Scheduled Commercial Banks, subject to guidelines and limits specified by SEBI.

The securities mentioned above could be listed or to be listed, secured or unsecured, and of varying maturity, as enabled under SEBI (MF) Regulations/circulars/ RBI. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offers or negotiated deals.

B. WHAT ARE THE INVESTMENT RESTRICTIONS?

All investments by the Scheme and the Mutual Fund will be within the investment restrictions as specified in the SEBI (MF) Regulations. Pursuant to the SEBI (MF) Regulations, the following investment and other restrictions are presently applicable to the scheme:

- All investments by the Scheme shall be made only in listed or to be listed equity shares and equity related instruments.
- No mutual fund scheme shall invest more than 10 per cent of its NAV in the equity shares or equity related instruments of any entity.
- Provided that, the limit of 10 per cent shall not be applicable for investments in [case of] index fund [or exchange traded fund] or sector or industry specific scheme.
-
- The corpus of the scheme shall be invested only in Physical Silver in accordance with its investment objective, except to the extent necessary to meet the liquidity requirements for honouring repurchases or redemptions, as disclosed in this Scheme Information Document
- The Scheme shall not invest in unlisted debt instruments including commercial papers (CPs), other than (a) government securities, (b) other money market instruments and (c) derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc. which are used by mutual funds for hedging. However, mutual fund schemes may invest in unlisted Non-Convertible Debentures (NCDs) not exceeding 10% of the debt portfolio of the scheme subject to the condition that such unlisted NCDs have a simple structure (i.e. with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis.

Aditya Birla Sun Life **Silver** ETF

Provided further that, the Scheme shall comply with the norms under this clause within the time and in the manner as may be specified by the Board.

Considering the nature of the Scheme, investments in such instruments will be permitted upto 5% of its NAV.

- In accordance with the para 12.8 SEBI circular no. SEBI Master Circular on Mutual Funds as amended from time to time, the scheme shall not invest more than:
 - a. 10% of its NAV in debt and money market securities rated AAA; or
 - b. 8% of its NAV in debt and money market securities rated AA; or
 - c. 6% of its NAV in debt and money market securities rated A and below issued by a single issuer.

The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit specified in clause 1 of Seventh Schedule of MF Regulation.

The long term rating of issuers shall be considered for the money market instruments. However, if there is no long term rating available for the same issuer, then based on credit rating mapping of CRAs between short term and long term ratings, the most conservative long term rating shall be taken for a given short term rating. Exposure to government money market instruments such as TREPS on G-Sec/ T-bills shall be treated as exposure to government securities.

Provided that, such limit shall not be applicable for investments in government securities, treasury bills, triparty repo on Government securities or treasury bills. Provided further that investment within such limit can be made in mortgaged backed securitised debt which are rated not below investment grade by a credit rating agency registered with SEBI.

Considering the nature of the Scheme, investments in such instruments will be permitted upto 5% of its NAV.

The scheme existing as on the date of aforesaid circular shall be grandfathered from these guidelines till the maturity of the underlying debt and money market securities.

- Investment in unrated debt and money market instruments (other than government securities, treasury bills, derivative products such as Interest Rate Swaps (IRS), Interest Rate Futures (IRF), etc.) by the Scheme shall not exceed 5% of the net assets of the Scheme. However, all such investments shall be made with the prior approval of the Board of AMC and Trustees.
- The Scheme shall not own more than 10% of any company's paid up capital carrying voting rights
Provided, for investments in asset management company or trustee company of other mutual fund, collective investment of sponsor of a mutual fund, its associate and/or its group company, and its AMC through Schemes should be considered for calculating 10% voting rights.
- Transfer of investments from one scheme to another scheme in the Mutual Fund is permitted provided:
 - such transfers are done at the prevailing market price for quoted instruments on spot basis (spot basis shall have the same meaning as specified by a Stock Exchange for spot transactions); and
 - the securities so transferred shall be in conformity with the investment objective of the Scheme to which such transfer has been made.
- Transfer of investments from one scheme to another scheme in the Mutual Fund is permitted provided the same are in line with para 12.30 of SEBI Master Circular on Mutual Funds .
- The Scheme may invest in other schemes under the same AMC or any other Mutual Fund without charging any fees, provided the aggregate inter-scheme investment made by all the Schemes under the same management or in schemes under management of any other Asset Management Company shall not exceed 5% of the Net Asset Value of the Fund. No investment management fees shall be charged for investing in other schemes of the fund or in the schemes of any other Mutual Fund.
- The Mutual Fund shall buy and sell physical silver/securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities/ silver and in all cases of sale, deliver the securities/ silver. Provided that, the Mutual fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by SEBI.
Provided further that sale of government security already contracted for purchase shall be permitted in accordance with the guidelines issued by the Reserve Bank of India in this regard.
- The Mutual Fund shall get the securities purchased or transferred in the name of the Mutual fund on account of the concerned Scheme, wherever investments are intended to be of a long-term nature.
- Pending deployment of the funds of the Scheme in securities in terms of investment objective, the Scheme may invest its funds in short term deposits of scheduled commercial banks subject to the following guidelines for parking of funds in short term deposits of scheduled commercial banks laid down by in para 12.16 of SEBI Master Circular on Mutual Funds and such other guidelines as may be specified by SEBI from time to time will be adhered to.
 - i. "Short Term" for parking of funds shall be treated as a period not exceeding 91 days. Such short-term deposits shall be held in the name of the Scheme.
 - ii. The Scheme shall not park more than 15% of the net assets in short term deposit(s) of all the scheduled

Aditya Birla Sun Life **Silver ETF**

commercial banks put together. However, such limit may be raised to 20% with the approval of the Trustee.

- iii. Parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
- iv. The Scheme shall not park more than 10% of the net assets in short term deposit(s), with any one scheduled commercial bank including its subsidiaries.
- v. The Scheme shall not park funds in short-term deposit of a bank which has invested in the Scheme. The bank in which a scheme has short-term deposit shall not invest in the scheme until the scheme has short-term deposit with such bank.
- vi. The AMC will not charge any investment management and advisory fees for funds under the Scheme parked in short term deposits of scheduled commercial banks.

The above norms do not apply to term deposits placed as margins for trading in cash and derivatives market. However, all term deposits placed as margins shall be disclosed in the half yearly portfolio statements under a separate heading. Details such as name of bank, amount of term deposits, duration of term deposits, percentage of NAV should be disclosed.

- The Scheme shall not make any investment in:
 - Any unlisted security of an associate or group company of the Sponsor; or
 - Any security issued by way of private placement by an associate or group company of the Sponsor; or
 - The listed securities of group companies of the Sponsor, which is in excess of 25% of the net assets.
- The Mutual Fund shall not borrow except to meet temporary liquidity needs of the Mutual Fund for the purpose of repurchase / redemption of Units or payment of interest to the Unitholders in accordance with the provisions of SEBI Regulations as applicable from time to time.
- The entire Scheme's investments will be in transferable securities (whether in capital markets or money markets) or in privately placed debenture or securitised debt, or bank deposits (pending deployment in securities in line with the investment objectives of the scheme) or in money at call.
- Debentures, irrespective of any residual maturity period (above or below 1 year), shall attract the investment restrictions as applicable for debt instruments as specified under Clause 1 and 1A of the Seventh Schedule to the SEBI (MF) Regulations or as may be specified by SEBI from time to time.
- Save as otherwise expressly provided under SEBI (MF) Regulations, the Mutual Fund shall not advance any loans for any purpose.
- The Scheme shall not invest in a fund of funds scheme.
- The scheme shall not invest in Credit Default Swaps.
- The Scheme shall not invest in foreign securities.
- The Scheme shall not invest in Securitised Debt.
- The Scheme shall not engage in short selling.
- The Scheme shall not engage in Repo Transactions in Corporate Debt Securities
- The Scheme will comply with any other regulations applicable to the investments of mutual funds from time to time.
- Pursuant to Regulation 44(6) of SEBI (MF) Regulations, 1996, silver exchange traded fund scheme shall be subject to the following investment restrictions:
 - (a) the funds of any such scheme shall be invested only in silver or silver related instruments in accordance with its investment objective, except to the extent necessary to meet the liquidity requirements for honouring repurchases or redemptions, as disclosed in the offer document; and
 - (b) pending deployment of funds in accordance with clause (a), the mutual fund may invest such funds in short-term deposits of scheduled commercial banks.
- **Participation of mutual funds in ETCDs shall be subject to the following:**
 - i. The Fund may participate in ETCDs in India, except in commodity derivatives on 'Sensitive Commodities' as defined vide para 12.26.1 SEBI Master Circular on Mutual Funds .
 - ii. ETCDs having Silver as the underlying, shall also be considered as 'silver related instrument' for Silver Exchange Traded Funds (Silver ETFs).
 - iii. The Scheme shall not invest in physical goods except in 'silver through Silver ETFs. However, as the Scheme participating in ETCDs may hold the underlying goods in case of physical settlement of contracts, in that case the Fund shall dispose of such goods from the books of the Scheme, at the earliest, not exceeding the timeline prescribed below:
 - a) For Gold and Silver: - 180 days from the date of holding of physical goods,
 - b) For other goods (except for Gold and Silver):
 - By the immediate next expiry day of the same contract series of the said commodity.
 - However, if Final Expiry Date (FED) of the goods falls before the immediate next expiry day of the same contract series of the said commodity, then within 30 days from the date of holding of physical goods.

- iv. The scheme may participate in the ETCDs as 'client' and shall be subject to all the rules, regulations and instructions, position limit norms, etc. as may be applicable to clients, issued by SEBI and Exchanges from time to time. The position limits at mutual fund level be as applicable to 'Trading Members'.
- v. The cumulative gross exposure through Physical silver and Silver related Instrument, Debt & Money market instruments (including Cash and Cash Equivalent), Exchange Traded Commodity Derivatives and such other securities/assets as may be permitted by the Board from time to time subject to regulatory approvals, if any should shall not exceed 100% of the net assets of the scheme.
- vi. The Scheme shall not have net short positions in ETCDs on any particular good, considering its positions in physical goods as well as ETCDs, at any point of time.
- vii. ABSLAMC shall not onboard Foreign Portfolio Investors (FPIs) in the Scheme investing in ETCDs until FPIs are permitted to participate in ETCDs.
- Mutual funds shall not write options, or purchase instruments with embedded written options in goods or on commodity futures.
- **Position limits for Exchange Traded Commodity Derivatives (ETCDs)**
 - a) For Non-Agri commodities- For Clients (Scheme Wise)
 - Near month contract Level- Not Applicable
 - For over all contracts- Fixed Lots as defined by the Exchanges or 5% of the Open Interests whichever is higher.
 - b) For Non-Agri commodities- For Trading Members (Fund Level)
 - Near month contract Level- Not applicable.
 - For over all contracts - Fixed Limit as defined by the Exchanges OR 20% of the Overall OI positions Limits in that commodity, whichever is higher.

The Exchanges, however, in their own judgment, may prescribe limits lower than what is prescribed by SEBI by giving advance notice to the market under intimation to SEBI.

The Trustees may alter the above restrictions from time to time to the extent that changes in the SEBI (MF) Regulations may allow and as deemed fit in the general interest of the unit holders.

These investment restrictions shall in the ordinary course apply as at the date of the most recent transaction or commitment to invest, and changes do not have to be effected merely because, owing to appreciations or depreciations in value, or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any Scheme of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Fund, any such limits would thereby be breached. If these limits are exceeded for reasons beyond its control, AMC shall as soon as possible take appropriate corrective action, taking into account the interests of the Unitholders.

In addition, certain investment parameters (like limits on exposure to Sectors, Industries, Companies, etc.) may be adopted internally by AMC, and amended from time to time, to ensure appropriate diversification / security for the Fund. The Trustee Company / AMC may alter these above stated limitations from time to time, and also to the extent the SEBI (Mutual Funds) Regulations, 1996 change, so as to permit the Scheme to make its investments in the full spectrum of permitted investments for Mutual Funds to achieve its investment objective.

As such investments by the Scheme will be made in accordance with SEBI (MF) Regulations, including Schedule VII thereof.

C. FUNDAMENTAL ATTRIBUTES

Following are the fundamental attributes of the Scheme, in terms of in terms of Clause 1.14 of SEBI Master Circular for Mutual Funds .

D. OTHER SCHEME SPECIFIC DISCLOSURES:

Listing and transfer of units	The Units of the scheme are listed on National Stock Exchange of India Limited (NSE); BSE Limited (BSE) and any other recognised stock exchanges as may be decided by AMC from time to time. The Units of the scheme may be bought or sold on all trading days in round lot of 1 (one) unit at prevailing listed price on such Stock Exchange(s). The AMC will appoint Market Makers (MMs) to provide liquidity for the units of Silver ETFs in secondary market on an ongoing basis. The Market Maker (s) would offer daily two-way quote (buy and sell quotes) in the market. Alternatively, the Market Makers and Large Investors may subscribe to and/or redeem the units of the Scheme with the Mutual Fund on any business day during the ongoing offer period at a price equivalent to applicable NAV and transaction charges, if any. The Market Makers may transact directly with AMC, provided the units offered for subscription and/or redemption are not less than Creation Unit size & in multiples thereof. Large investors can subscribe/redeem directly with the AMC for an amount greater than INR 25 crores. MMs and large investors may directly buy/sell units with the Mutual Fund in creation unit size. All investors including Market Makers, Large Investors and other investors may sell their units on the stock exchange on which these units will be listed on all the trading days of the stock exchange. Mutual fund will repurchase units from Market Makers and Large Investors on any business day provided the value of units offered for repurchase is not less than creation unit size. The redemption consideration shall normally be physical silver and cash component. Further, pursuant to SEBI letter dated August 26, 2025, the said threshold limit of INR 25 crore for direct transaction in the units of the ETFs with the
