 Indian equity markets extended their losses for a fourth consecutive session as rising global bond yields and sustained foreign institutional investor selling weighed on sentiment ahead of a long weekend.

 Reliance Industries plans an investment of Rs. 1 trillion to develop compressed biogas (CBG) projects in Andhra Pradesh. The proposed investment is positioned as a large-scale expansion of renewable gas infrastructure in the state. The project would deepen the company's presence in clean-energy and waste-to-energy activities.

 ACKO has launched three insurance products spanning motor, health and travel categories. The launches broaden the insurer's product portfolio across major retail insurance segments. The move supports the company's strategy of expanding digitally distributed insurance offerings for customers.

 HDFC Bank has completed selling a majority of its stake in HDFC Credila, an education finance subsidiary, for Rs 9,553 crore to private equity firms BPEA EQT and ChrysCapital. The bank would no longer have HDFC Credila as a division.

Term of the Day

Risk Management

Definition: Risk management is a process by means of which risks are identified, assessed, monitored and finally mitigated for any process or organisation. It is a process which is considered very critical for proper functioning and maintenance of any organisation. Some of the risks which a company is generally exposed to are financial risk, environmental risk, theft risk besides others.

Explanation

Risk Management is a critical part of organization’s strategy and it is widely seen as an essential part of the business. Companies face various risks and it is strategically very important to make provisions for them and mitigate them wherever possible. Effective risk management practices of the organization makes it less vulnerable and better prepared for uncertainty. Some of the common methods of mitigating risks are transferring it to a third party (insurance), budgeting for the same, implementing stringent control measures and finally creating a backup plan. Let us take an example of a company X based in India.
